Our Cherished Halls of Ivy Phillip L. Beukema, 2022-10-10 Higher education has both supporters and detractors although not in equal numbers Some would have us believe that our higher education enterprise is on the brink of disaster that it's falling apart at the seams Some go so far as to call the system broken beyond repair suggesting that it be rebuilt from the ground up Can it be this bad Drawing on his long experience in higher ed administration the author examines the sea change that's affected nearly every corner of the higher learning landscape These corners include the high and rising costs of tuition the crushing levels of student debt the shamefully low graduation rates in too many schools the growing million dollar clubs whose members include university presidents and football and basketball coaches the inadequacies of accreditation and the growing influence of partisan politics in the conduct of our public universities That's for starters With an insider's perspective the author paints a picture that is up front and honest laying bare the depth and extent of specific problems confronting that crucial engine of our economy higher education In each case he spells out what needs a tune up and what needs something closer to an overhaul Of course he offers specific proposals for fixing those problems They're likely to be controversial but the author hopes they spark a debate that ultimately leads to productive solutions

Finding the Best Business School for You Everette E. Dennis, Sharon P. Smith, 2006-06-30 Ultimately finding the best and most appropriate business school requires more than following trends and assessing rankings Dennis and Smith offer an approach that is designed to help prospective MBA students cast their nets widely thinking more expansively creatively and strategically with both short and long term implications in mind Discussing the pros and cons of a formal business education in the context of evolving attitudes toward management and the role of the MBA in developing successful leaders the authors help readers identify their underlying motivations for pursuing an MBA learn how to read between the lines of the popular rankings and utilize the concept of return on investment ROI to evaluate programs on the basis of their contribution to long term professional and personal goals At a time when one fourth of all master's degrees conferred are in business Finding the Best Business School for You offers practical insights for making wise decisions and getting the most out of the MBA experience
