New York Magazine, 1994-10-10 *New York Magazine* was born in 1968 after a run as an insert of the *New York Herald Tribune* and quickly made a place for itself as the trusted resource for readers across the country. With award winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea.

[The Year Before the Flood](#) Ned Sublette, 2009-09-01 With a style the *Los Angeles Times* calls as vivid and fast moving as the music he loves, Ned Sublette's powerful new book drives the reader through the potholed, sinking streets of the United States's least typical city. In this eagerly awaited follow up to *The World That Made New Orleans*, Sublette's award winning history of the Crescent City's colonial years, he traces an arc of his own experience from the white supremacy of segregated 1950s Louisiana through the funky year of 2004-2005, the last year New Orleans was whole. By turns irreverent, joyous, darkly comic, passionate and polemical, *The Year Before the Flood* juxtaposes the city's crowded calendar of parties, festivals and parades with the murderousness of its poverty and its legacy of racism. Along the way, Sublette opens up windows of American history that illuminate the present: the trajectory of Mardi Gras from pre-Civil War days, the falsification of Southern history in movies, the city's importance to early rock and roll, the complicated story of its housing projects, the uniqueness of its hip hop scene, and the celebratory magnificence of the participatory parades known as second lines. With a grand, unforgettable cast of musicians and barkeeps, scholars and thugs vibrating with the sheer excitement of New Orleans, *The Year Before the Flood* is an affirmation of the power of the city's culture and a heartbreaking tale of loss that definitively establishes Ned Sublette as a great American writer for the 21st century.

[Internet Children's Television Series, 1997-2015](#) Vincent Terrace, 2016-08-04 Created around the world and available only on the web, internet television series are independently produced, mostly low budget shows that often feature talented but unknown performers. Typically financed through crowd funding, they are filmed with borrowed equipment and volunteer casts and crews, and viewers find them through word of mouth or by chance. The fifth in a series focusing on the largely undocumented world of internet TV, this book covers 573 children's series created for viewers 3 to 14. The genre includes a broad range of cartoons, CGI live action comedies, and puppetry. Alphabetical entries provide websites, dates, casts, credits, episode lists, and storylines.
