PUBLIC SAFETY SUICIDE Mary Van Haute,John M. Violanti,2015-01-01 This book takes an individual human approach to the problem of suicide in public safety occupations As a researcher in suicide coauthor John Violanti relies heavily upon statistics

to make the case for prevention These worthwhile statistics help to form the big picture but one must keep in mind that these are just statistics and not people With coauthor Mary Van Haute and her knowledge of the human condition and experience in interventions she adds the human dimension by relating her stories of real people who worked in public safety occupations and their difficult and sometimes tragic consequences with near and completed suicide Added to her expertise is her own life experience she is a survivor of her brother s death by suicide For the reader the book provides a detailed insight into the reality of suicide and how it tears into the very fiber of being human in an occupational culture that requires one to forget emotions feelings and at times compassion Stigma and a myriad of misnomers silence the majority of suicide attempt survivors robbing suicide prevention specialists of lifesaving knowledge and perspective Here are the stories of people who have balanced the risk of being judged and misunderstood with the value of being a mentor and role model to others They share their stories about living with mental illness addiction and suicide in the hopes that it will have a positive impact on the readers and ultimately save a life It is also a look back at the beaten path of Van Haute s own double road of grief from a time of ignorance through years of hard knocks education to a point of peaceful resolve the trials and tasks facing a survivor of suicide loss are chronicled Each chapter concludes with a case analysis of lessons learned from the story courageously shared This book is an opportunity to see that there is life after lifelessness hope after hopelessness and peace after restlessness
