Ramsey Press. **Flip and Grow Rich** Armando Montelongo, It is my goal to inspire you through my real life story as well as teach you real world strategies about how to flip houses and grow rich. Investing requires passion and knowledge. You cannot have success without inspiration, and you cannot turn inspiration into profits if you do not have a business system. That's why this book is set up to appeal to both. The left side of the book tells you my personal story: how I started from nothing and grew into a multimillionaire real estate investor. You share in the hope, despair, fear, and excitement I have experienced on my road to success. The right side of the book explains how to succeed in real estate investing: how to condition your mind for success, find hot deals, secure money, manage contractors, reinvest profits, and enjoy true wealth. You learn the secrets to my business without going through the school of hard knocks. Each chapter is complete. You can jump around and read the sections that seem most relevant at the moment.
