eBay Timesaving Techniques For Dummies Marsha Collier, 2007-05-21 So you've gotten started on eBay. You've made a few purchases and your first sale. You may have even built a moneymaking business. Now you're looking for ways to ratchet things up. You're looking for the insider tips and tricks for the easiest ways to take care of listing items, completing transactions and keeping good records, and you don't have the time to do all the research. eBay Timesaving Techniques For Dummies is the book for you. Marsha Collier, an eBay University instructor and best-selling author of eBay For Dummies and Starting an eBay Business For Dummies, has collected the fastest and most effective techniques for finding items to sell, setting up your sales pages, pricing items to move, getting the word out about your business, collecting payments, shipping your item, and taking care of all the paperwork. Time is money, after all. So why waste time when you can be making money on eBay? This book contains over 60 step-by-step techniques proven to add efficiency to your eBay operation. Includes coverage of: Finding sources for merchandise to sell on eBay; Setting attractive prices and shipping costs; Handling multiple sales without losing your cool; Prettying up your auctions with digital photo and HTML tricks; Tracking payments and shipments and keeping your customers happy; Working with PayPal both on and off of eBay; Enhancing your status in the eBay community; Simplifying your bookkeeping; Creating marketing, merchandising and advertising plans; Solving problems quickly when they occur.

Do-It-Yourself-Publishing Diane Lau, 2006-05 If you're frustrated with your lack of success finding a publisher, if you've looked into companies that will publish your book for you and been appalled at what they charge, if you wish you better understood what the new printing and ebook technologies meant in terms of your options, then this little book can help. Author Diane Lau, aka Diana Laurence, gives the whole scoop on how she published her titles through her own small publishing house and tells how you can, too. Do It Yourself Publishing is a step-by-step blueprint through the entire process to help you decide if this approach is right for you and guide you to valuable resources that will enable you to become your own publisher. From estimating your costs to finding out the skills you need and how to acquire them, you'll learn how a previously published author found a more enjoyable and profitable way to sell her books by publishing herself.

Country-Specific Effects of Reputation Christopher Schlägell, 2011-03-31 Empirical studies show that the reputation of transaction partners affects the economic outcomes of online auction markets. In four studies, Christopher Schlägell investigates the country-specific effects of reputation and the underlying reasons for these differences.
