openly political affairs with partisans lining up to support their preferred candidates Matters in the states are not much  
different with once sleepy judicial elections changing into ever more contentious political slugfests replete with single issue  
interest groups and negative campaign advertising Once on the bench judges at every level find themselves dogged by  
charges of politically motivated decision making In this first of its kind collection prominent figures from the academy the  
bench and the press reflect on the state of the American judiciary Using the results of a specially commissioned public

coverage that swirl around judicial selection and judicial decision making today Essays examine the rise of explicitly political
