,1988 **Better Money** Lawrence H. White,2023-03-23 The recent rise of dollar pound and euro inflation rates has rekindled the debate over potential alternative monies particularly gold and Bitcoin Though Bitcoin has been much discussed in recent years a basic understanding of how it and gold would work as monetary standards is rare Accessibly written by a pioneering economist Better Money explains and evaluates gold fiat and Bitcoin standards without hype White uses simple supply and demand analysis to explain how these standards work evaluating their relative merits and explaining their response to shocks allowing for informed comparisons between them This book addresses common misunderstandings of the gold standard and Bitcoin using historical evidence to review the history of money with emphasis on the contest between market and government provision Known for his work on alternative monetary institutions White offers a reasoned discussion of which standard is most likely to provide a better money

Financial Literacy for Generation Z Kenneth O. Doyle Ph.D.,2019-09-19 This indispensable resource explains principles of financial planning and financial psychology to help teens and young adults make good financial decisions now and achieve their financial goals Financial literacy for savvy teens and young adults means meeting them where they are which is in high school and college It also means understanding how they differ from their Gen X and elder millennial parents For example they tend to be debt averse thrifty and responsible but may err on the side of taking too little risk such as not investing early enough This book uses economics and psychology to help

Generation Z students make better decisions throughout their lives and especially in their formative years Financial Literacy for Generation Z addresses decisions students have to make while still in school after graduation and later with the greatest emphasis on the decisions closest at hand to them It encompasses not just money talk for example how much to contribute to your 401 k but also decisions that are directly connected to money such as choosing a major and a career building a credit record and managing your first real income Ebony ,2002-09 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine
