#1 Best Seller Bryan W. Heathman,2018-06-01

The rules of book marketing are changing and the traditional rules of book marketing no longer apply. A new era of marketing books is upon us: an approach in which authors are authenticity engaging their audiences. But how do you start? Today's mega success authors are no longer writers but they are entrepreneurs who expertly work a strategy which leverages the power of social media, search engine optimization, SEO, advertising, speaking, bookstore signings, and a combination of other programs that are incredibly rewarding to the author. Every author wants a roadmap or a step by step guide for a successful book launch. To book marketing professionals in large publishing houses, this is the Holy Grail so they can repeat the success of their last book launch campaign. With this system, you will no longer have the guesswork associated with which marketing programs to run for a successful launch of your book. Bryan Heathman has managed hundreds of book marketing campaigns and scientifically created a repeatable 15 week system to promote non-fiction books. Bryan's approach to book marketing in this book was inspired by running massively successful campaigns which have resulted in New York Times best sellers, Wall Street Journal best sellers, Amazon 1 best sellers. This book isn't like most marketing books which list a hundred things to do when marketing a book. This approach is distilled into a manageable system of a 15 week burst of activity which, when completed in a scheduled time frame, are proven to produce the results you desire for a successful book launch. Trust the system and eliminate the guesswork as you work towards your 1 best selling book. Secrets to Pricing and Distribution

Maggie McVay Lynch, 2017-08-02 **Before the Launch** David Wogahn, Manon Wogahn, 2025-04-25 Prepare for the self publishing process so your book stays relevant and marketable for longer. Before the Launch isn't a book. It's a manual. If you are looking for a book to curl up with, be entertained by, and read cover to cover in a couple of sittings, Before the Launch isn't for you. This manual has been compiled over the course of 14 years during which we've managed the publication of more than 400 books for our self-publishing clients. It contains detailed advice based on our experience in using KDP, IngramSpark, Bowker, and numerous other self-publishing tools and services, and now we're sharing it with you. Before the Launch is your guide to understanding the important decisions you need to make and things you need to do during the book preparation process that have an impact on marketing success once your book is released. These decisions and steps are rarely considered in book marketing, yet marketing can and does suffer if these tasks are not done correctly or not done at all. Why do we call Before the Launch a manual? Self-publishing is a multi-step process executed over the course of weeks and months. Before the Launch is designed for just-in-time learning. Publishing a book is a multidisciplinary project requiring business, legal, marketing, and research know-how. Each of the 58 topics has color-coded cross-references to related topics. The publishing tasks that lead up to the release of a book overlap with each other. Before the Launch includes our trademarked 14 track Countdown to Book Launch timeline that illustrates these overlaps so you can stay on track during the lead up to your book's release. Like any good manual, our guidance is findable when you need it, and we've built in learning extensions. We've put as much care and thought into how the manual is organized as we have put into writing it. Our goal is to teach you what

you need to know when you need to know it The manual is organized into 5 sections PREPARE REGISTER AMAZON REVIEW and RELEASE We've included 140 links to additional authoritative information for deeper learning or additional resources Your purchase includes access to 3 orientation videos a tour of KDP a tour of IngramSpark and how to view an Amazon book product detail page like a publisher Because publishing timelines overlap the 58 topics contain 283 color coded cross references to help you quickly locate related topics We've even included downloadable Word Excel and PDF files to make it easier to perform the exercises recommended in the topics comp research metadata collection running a price drop sale and coordinating ARC printing with POD distribution via KDP and IngramSpark Before the Launch is your self publishing manual for the best launch possible Comprehensive accessible and based on real world experience Before the Launch is a manual for self publishers of fiction and nonfiction alike It's so handy you'll want the eBook as well as the original 204 page spiral print edition Get your copies today
