An Unexpected Chance Anna Jenkins, 2024-09-02 For Ryland it was his last summer home He didn't expect

anything different from this small sleepy town He knew nothing ever changed And he definitely wasn't expecting the beautiful woman who entered the diner blowing all his mundane expectations away He knew he had to have her But there was just one problem The woman hates him It was a hatred that was very well earned in the years they had known each other He had worked overtime in her torture He knew he didn't stand a chance but his heart wasn't listening to his mind Was it possible that he could get her to forgive all his past transgressions Alina saw him as she entered the diner The last person on the face of the planet that she ever wanted to see again Her anger rose as fate once again decided to play with her All the torment during their childhood years only ended due to trauma She wasn't going to fall for that Hell would have to freeze over to give him the time of day But maybe that day has come because she is unable to refuse the gift he has bestowed upon her But the mind is still skeptical is this a game to him is he using this as another ploy to cause more torment Or is this the Unexpected Chance they never knew they needed She can't be falling for his lies Maybe she is just too kind A villain can never become a good guy I will save her from having her heart broken once again She was always meant to mine and I will make sure she is
