Kritische Film- und Literaturedition Ursula von Keitz, Wolfgang Lukas, Rüdiger Nutt-Kofoth, Ulrich Rummel, 2022-07-05 Während sich die literaturwissenschaftliche Editionswissenschaft nach wie vor am Modell der in den letzten 200 Jahren entwickelten Historisch-kritischen Ausgabe orientiert, stehen die audiovisuellen Medienwissenschaften im Hinblick auf die Edition zeitbasierter Medien in der Entwicklung solcher Instrumentarien erst am Anfang. Die Tradierung des kulturellen Erbes in Form von Editionen betrifft aber beide Disziplinen und insbesondere auch diejenigen Institutionen Archive und Museen, die das kulturelle Erbe aufbewahren und sichern. Zugleich eröffnen sich der Editionspraxis im Zeitalter der Digitalisierung jenseits von Buch und linearem Film neue Möglichkeiten der Aufbereitung, mediengenerischen Modellierung und Präsentation, die aber auch neue Kooperationen zwischen Philologien, Filmwissenschaft, Informatik, Medientechnologie und Archiv erfordern. Der Band führt seine Beiträge unter den Rubriken Theorie und Methodologie, Archivpraxen und Kritische Filmographie, Edition von Proskripten, Digitale Filmeditorik und Sprache und Musik in der Filmedition mit dem Ziel zusammen, einen Dialog über theoretische Grundlagen, Methoden und Praktiken kritischen Edierens in digitalen Umgebungen zu führen und Anstöße zu einer transdisziplinären Editorik zu entwickeln. Zum ersten Mal steht die Filmeditorik im Mittelpunkt eines solchen disziplinenbergreifenden Fachgesprächs.

Digital Marketing Klaus Solberg Söilen, 2024-12-02 This textbook balances the theory of digital marketing with the practical skills for prospective marketers in professional organizations, both public and private. It begins with an introduction to the digital landscape, following the structure of market segmentation, B2C, B2B applications as a starting point of digital marketing. It then takes the readers through the customer journey, use of social media, and the rising importance of video-based communication. Given this background, students will learn the organizational, technical skills, and project management needed for digital marketing, including online public relations, communications, and internet branding. An extensive summary of strategies necessary to work with digital marketing in a longer perspective is also provided.

Media Libraries in an Age of Unending Consumption Mike Van Esler, 2023-10-24 As the home video market upended traditional film industry models, media libraries emerged as important sources of ancillary revenue. The inflection point for media library exploitation came in 2007 when Netflix launched its streaming service, relying on extensive licensing of film and television libraries to grow its subscriber base. In this book, Mike Van Esler examines how media libraries and business models have evolved since the home video era, with particular emphasis placed on the streaming age of the past fifteen years. Van Esler argues that media libraries have grown beyond their usages from the pre-home video era to become central to today's corporate media strategy. By studying the ways in which media library exploitation has scaled up since the turn of the new millennium, the author identifies insights into larger media industry trends. Ultimately, this book explores the intersection of corporate media, independent distributors, private equity tech companies, and audiences. Scholars of media studies, business, and sociology will find this book of particular interest.

Unsteady Viscous Flows Demetri P.

Telionis,2012-12-06 Most of the fundamental concepts of unsteady viscous flows have been known since the early part of the century However the past decade has seen an unprecedented number of publications in this area In this monograph I try to connect materials of earlier contributions and synthesize them into a comprehensive entity One of the main purposes of a monograph in my opinion is to fit together in a comprehensive way scattered contributions that provide fragmented information to the readers The collection of such contributions should be presented in a unified way continuity of thought and logical sequence of the presentation of ideas and methods are essential The reader should be able to follow through without having to resort to other references something that is unavoidable in the case of a research paper or even a review paper Many of the solutions discussed in the literature address specific practical problems In fact in the process of collecting information I discovered independent lines of investigations dealing with the same physical problem but inspired by different practical applications For example I found that two groups of investigators have been studying independently the response of a viscous layer to a harmonic external disturbance One group is concerned with mass transport and the transport of sediment over the bottom of the ocean and the other is interested in the aerodynamics of lifting surfaces in harmonically changing environments

at large and small businesses incubators and students at topflight MBA programs and at conferences **Amazon** Paul Smith, Alexander Monea, Maillim Santiago, 2022-11-28 Amazon is everywhere In our mailboxes in delivery vans clogging our streets in an increasing portion of our air traffic in our grocery stores on our televisions in our smart home devices and in the infrastructure powering many of the websites we visit Amazon's tendrils touch the majority of online retail transactions in the United States and in many other countries As Amazon changes the face of capitalist business it is also changing global culture in multiple ways This book brings together some of the most important analyses of Amazon's pioneering business practices and how they intersect with and affect the components of everyday culture Its contributors examine the political economy of Amazon's platform making the argument that it operates as an unregulated monopoly that is disruptive to the global economy and that its infrastructure and logistical operations increasingly alienate its workers and wreak many other social harms Our contributors outline the practices of resistance that have been employed by organizers ranging from Amazon employees to artists to digital piecemeal laborers working on Amazon's Mechanical Turk platform They examine the broader cultural impact that Amazon has had looking at things like Amazon Prime and the creation of unending consumption the absorption of Whole Foods and its brand of conscious capitalism and the impact of Amazon Studios and Prime Video on everyday film and television viewing practices This book examines the broader environmental impacts that Amazon is having on the world looking at the slow violence it incurs its underwhelming Climate Pledge and the regional impacts that its business practices have Lastly this book gathers together some important artistic responses to Amazon for the first time in an appendix that offers readers insight into other ways in which critics of the company are making their voices heard and attempting to move broader audiences into solidarity against Amazon **NASA Tech Briefs**, 2005 **It's Not TV** Felix Gillette, John Koblin, 2022-11-01 A read so riveting it's not hard to imagine watching it unfold on Sunday nights The Associated Press An incisive account that is more than a rosy victory lap for one of TV's most influential channels Eric Deggans NPR's Books We Love It's Not TV proves to be a lively companion to all these shows Andrew O Hagan The New York Review of Books The inside story of HBO the start up company that reinvented television by two veteran media reporters HBO changed how stories could be told on TV The Sopranos Sex and the City The Wire Game of Thrones The network's meteoric rise heralded the second golden age of television with serialized shows that examined and reflected American anxieties fears and secret passions through complicated characters who were flawed and often unlikable HBO's own behind the scenes story is as complex compelling and innovative as the dramas the network created driven by unorthodox executives who pushed the boundaries of what viewers understood as television at the turn of the century Originally conceived by a small upstart group of entrepreneurs to bring Hollywood movies into living rooms across America the scrappy network grew into one of the most influential and respected players in Hollywood It's Not TV is the deeply reported definitive story of one of America's most daring and popular cultural institutions laying bare HBO's growth dominance and vulnerability within the

capricious media landscape over the past fifty years Through the visionary executives showrunners and producers who shaped HBO seasoned journalists Gillette and Koblin bring to life a dynamic cast of characters who drove the company's creative innovation in astonishing ways outmaneuvering copycat competitors taming Hollywood studios transforming 1980s comedians and athletes like Chris Rock and Mike Tyson into superstars and in the late 1990s and 2000s elevating the commercial free serialized drama to a revered art form But in the midst of all its success HBO was also defined by misbehaving executives internal power struggles and a few crucial miscalculations As data driven models like Netflix have taken over streaming HBO's artful instinctual and humanistic approach to storytelling is in jeopardy Taking readers into the boardrooms and behind the camera It's Not TV tells the surprising fascinating story of HBO's ascent its groundbreaking influence on American business technology and popular culture and its increasingly precarious position in the very market it created

TV's American Dream Barbara Selznick, 2025-01-23 TV's American Dream examines how the U S television industry in the 2010s pursued audiences whose ideas about hope fairness work and economic class were shaped by the Great Recession While Americans navigated the trauma of the economic meltdown the television industry faced growing pressure stemming from new program distribution and viewing methods increasingly fragmented audiences shifts in methods of advertising and regulatory changes To cut through the clutter of television content to appeal to elusive viewers television programming reimaged some of the traditional representations of the American Dream and continued to bolster others Exploring shows on different platforms from legacy networks to Netflix Selznick takes a deep dive into representations of the American Dream on television Each chapter of this book focuses on a particular strategy mobilized in the second decade of the new century to speak to audiences about their expectations for and concerns about the Dream Bringing together research on industrial practices with an examination of sociocultural context TV's American Dream demonstrates how interconnected forces give rise to the television programs that reinforce and redefine audiences ideas about the world in which they live

Watching TV Harry Castleman, Walter J. Podrazik, 2024-12-16 Castleman and Podrazik present a season by season narrative that encompasses the eras of American television from the beginning in broadcast through cable and now streaming They deftly navigate the dizzying array of contemporary choices so

that no matter where you start on the media timeline Watching TV provides the context and background to this multi billion dollar enterprise Drawing on decades of research the authors weave together personalities popular shows corporate strategies historical events and changing technologies enhancing the main commentary with additional elements that include fall prime time schedule grids for every season date box timelines highlighted key text and selected photos Full of facts firsts insights and exploits from now back to the earliest days Watching TV is the standard chronology of American television and reading it is akin to channel surfing through history The fourth edition updates the story into the 2020s and looks ahead to the next waves of change This new edition is the first to also be available in a digital format

Teaching Popular Culture in the Humanities Classroom Katherine Hampsten,Ashley Archiopoli,Elizabeth Fish Hatfield,2024-12-15 From the television we watch and the films we consume to the experience of user generated content this volume explores various forms of popular culture as teaching tools Teaching popular culture well hinges on the application not the mere inclusion of popular culture artifacts It is the nuance of praxis where theory meets practice the artful marriage of academic knowledge with popular culture In this volume the authors leverage popular culture as a powerful teaching tool that is familiar and accessible This tool provides a lens for approaching complex academic experiences and elucidating new concepts in applications that have been tested and applied in the classroom Each essay outlines the theory that underpins elegant integrations of popular culture into learning

Max Streaming Usa Introduction

In the digital age, access to information has become easier than ever before. The ability to download Max Streaming Usa has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Max Streaming Usa has opened up a world of possibilities. Downloading Max Streaming Usa provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Max Streaming Usa has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Max Streaming Usa. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Max Streaming Usa. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Max Streaming Usa, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Max Streaming Usa has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
