drive pushed him to the verge of a crippling knee injury all in the pursuit of winning And for six weeks he did make it back He made the shots He made good on his mission to try to teach the Wizards how to be winners to teach talented teammate Richard Hamilton to be a shooting star and to whip Kwame Brown the high school kid he made the first ever first pick in the NBA draft into a man And he did the things that only a man of legend could do Krugel analyzes both the man and the legend to trace how the First Coming led to a Second and to a Third and he chronicles the season that defines Michael Jordan as a man who will forever be playing for one last shot
