The Individual's Guide to Grants Judith B. Margolin, 2012-12-06 This book is a work of conscience It is the product of a long standing feeling of obligation on my part to write something useful for a special group of people to which you probably belong individuals who seek grants In my years as Director of the New York library of The Foundation Center each and every day I encountered numbers of individuals looking for grant money Although I tried to be as supportive as possible in the face of the particular problems shared by this group of library users my own reaction was one of relative helplessness Simply stated most of the fund raising guides printed directories and computer files purportedly created to serve the fund raising public are of little or no use to individuals who seek funding on their own These resources are directed The Foundation Center is the independent nonprofit organization established by foundations to provide information for the grant seeking public vii viii I PREFACE toward the nonprofit tax exempt agency which is the most common recipient of foundation corporate and government largess They are not designed to respond to the special requirements of the individual grant seeker In the applicant eligibility index the Catalog of Federal Domestic Assistance defines individuals as homeowners students farmers artists scientists consumers small business persons minors refugees aliens veterans senior citizens low income persons health and educational professionals builders contractors developers handicapped persons the physically afflicted In short practically everyone qualifies **Ideas Into Dollars**, 1982 **NIH Guide for Grants and Contracts**, 1989 *Resources in Education*, 1997 **Transforming Scholarship** Michele Tracy Berger, Cheryl Radeloff, 2014-08-13 Transforming Scholarship is a user friendly work of practical guidance and inspiration for supporting a student's interest in a Women's Studies degree Berger and Radeloff use empirical evidence to help students with the major barriers they face when exploring Women's Studies the negative response a student often faces when announcing to the world that he or she is interested in Women's Studies and the perceived lack of employment and career options that supposedly comes with graduating with a Women's Studies degree This book will support students to think critically about what they know how to demonstrate what they know and how to prepare for life both personally and professionally after the degree Transforming Scholarship is a practical guide for students interested in women's and gender studies that targets advanced undergraduates who have a firm connection to the discipline This book is ideal for women's and gender capstone courses and for those who have finished their degree and need a resource to assist in conceptualizing the answers to the question What's next This second edition of Transforming Scholarship focuses on areas that undergraduates might want integrate into their women's and gender studies education study abroad civic engagement projects internships independent studies and honors theses It includes exercises to help flesh out talents passions and skills and how to link them to employment information about the diversity of employment opportunities and further professional training available and a plan to help prepare for graduation It also delves into how to live a feminist life after graduation including activism after college building and sustaining feminist

communities and feminist parenting The authors have also added new Point of View boxes throughout the book where scholars focus on contemporary issues and deepen a student s understanding of the organizations and individuals fighting to end sexist oppression
