Old Town Road Chris Molanphy,2023-10-06 In Old Town Road Chris Molanphy considers Lil Nas X's debut single as pop artifact, chart phenomenon and cultural watershed. Old Town Road was more than a massive hit with the most weeks at No. 1 in Billboard Hot 100 history. It is also a prism through which to track the evolution of popular music consumption and the ways race influences how the music industry categorizes songs and artists. By both lionizing and satirizing genre tropes, it's a country song built from an alternative rock sample, a hip hop song in which nobody raps, a comical song that transcends novelty, and a queer anthem. Lil Nas X troubles the very idea of genre. Ultimately, Molanphy shows how Old Town Road channeled decades of Americana to point the way toward our cultural future. SNAP Katherine Ramsland,2012-02-21 Sudden flashes of inspiration have triggered many discoveries and inventions throughout history. Are such 'aha' moments merely random, or is there a way to train the brain to harness these seemingly unpredictable creative insights? This fascinating overview of the latest neuroscience findings on spontaneous thought processes or 'snaps' describes how everyone, not just geniuses, can learn to improve the likelihood of their own 'eureka' moments by adopting certain rewarding attitudes and habits. As the author explains, 'snaps' are much more than new ideas. 'Snaps' are insights plus momentum; they instantly compel or 'snap' us toward action. They often occur after ordinary problem solving hits an impasse. We may feel stuck, but while we're in a quandary, the brain is rebooting. Then, when we least expect it, the solution pops into our heads. She describes the results of numerous scientific experiments studying this phenomenon. She also recounts intriguing stories of people in diverse disciplines who have had a 'snap' experience. Both the research and the stories illustrate that it's possible to enhance our facility for 'snap' moments by training ourselves to scan, sift, and solve. In the emerging economy, businesses and individuals need new strategies, and it's clear that just thinking harder no longer works. People who can 'snap' are often a step ahead; they have a vigilance advantage from exercising brain cells that build mental agility. While snapping is rewarding, fun, and good for improving our mental skills, it's also much more: people who 'snap' life-changing ideas that affect many others will redirect our future. Written in an accessible, jargon-free narrative that weaves together the latest research with illuminating stories of innovative people, this book teaches us how to cultivate our own inner epiphanies to gain an edge in our imaginations, our careers, our goals, indeed in every aspect of our lives. The House of My Mother Shari Franke,2025-01-07 From eldest daughter, Shari Franke, the shocking true story behind the viral 8 Passengers family vlog, now the subject of a new Disney docuseries, and the hidden abuse she suffered at the hands of her mother, and how, in the face of unimaginable pain, she found freedom and healing. Shari Franke's childhood was a constant battle for survival. Her mother, Ruby Franke, enforced a severe moral code while maintaining a facade of a picture-perfect family for their wildly popular YouTube channel, 8 Passengers, which documented the day-to-day life of raising six children for a staggering 2.5 million subscribers. But a darker truth lurked beneath the surface: Ruby's wholesome online persona masked a more tyrannical parenting style than anyone could have

imagined As the family s YouTube notoriety grew so too did Ruby s delusions of righteousness Fueled by the sadistic influence of relationship coach Jodi Hildebrandt together they implemented an inhumane and merciless disciplinary regime Ruby and Jodi were arrested in Utah in 2023 on multiple charges of aggravated child abuse On that fateful day Shari shared a photo online of a police car outside their home Her caption had one word Finally For the first time Shari will reveal the disturbing truth behind 8 Passengers and her family s devastating involvement with Jodi Hildebrandt s cultish life coaching program ConneXions No stone is left unturned as Shari exposes the perils of influencer culture and shares for the first time her battle for truth and survival in the face of her mother s cruelty
