collection examines how fantasy sports play has established a prominent and promising foothold in the larger sports ecology. Often considered an isolated activity for the hardcore sports fan, fantasy sports play have since been incorporated into sports broadcasting and editorial coverage, sports marketing and promotions, and even into the very sports themselves with athletes and teams using the activities to draw fans further into the sports experience. This edited collection invites leading scholars and sports professionals from several different fields to share historical and emerging perspectives on the importance of fantasy sports as an artifact of theoretical and empirical importance to larger issues of sport and society.

Sport Broadcasting for Managers Hunter Fujak, Stephen Frawley, 2022-06-07. This is the first book to focus on sport broadcasting as a core aspect of contemporary sport business and management. It explains how sport business professionals can manage sport broadcasting as an essential component of their work. Drawing on cutting edge theory and research into sport broadcasting around the world, the book introduces the history and core concepts of sport broadcasting before showing how broadcasting intersects with sport management practice. It covers key themes and issues such as the law and regulation, valuation and negotiation strategy, logistics and consumer behaviour. Outlining best practice for sport managers, this book is essential reading for any course on sport business and management, sport marketing or sport media, and a useful companion to courses on broadcast production, sports journalism or digital media.

Kinderculture Shirley R. Steinberg, 2011-04. This book reveals the profound impact that our purchasing obsessed culture has on our children and argues that corporate marketing to youth has reshaped the experience of childhood into something that is prefabricated. Top scholars in education, sociology and cultural studies contribute insightful essays that students, parents and educators will find entertaining and disturbing. This third edition is thoroughly updated with examinations of the icons that shape the values and consciousness of today's children, including Twilight, Barbie, hip hop, Disney, McDonald's and many more.

Communication and Sport Michael L. Butterworth, 2021-07-19. Sport is a universal feature of global popular culture. It shapes our identities, affects our relationships and defines our communities. It also influences our consumption habits, represents our cultures and dramatizes our politics. In other words, sport is among the most prominent vehicles for communication available in daily life. Nevertheless, only recently has it begun to receive robust attention in the discipline of communication studies. The handbook of Communication and Sport attends to the recent and rapid growth of scholarship in communication and media studies that features sport as a central site of inquiry. The book attempts to capture a full range of methods, theories and topics that have come to define the subfield of communication and sport or sports communication. It does so by emphasizing four primary features. First, it foregrounds communication as central to the study of sport. This emphasis helps to distinguish the book from collections in related disciplines such as sociology and also points

readers beyond media as the primary or only context for understanding the relationship between communication and sport. Thus in addition to studies of media effects, mediatization, media framing, and more, readers will also engage with studies in interpersonal, intercultural, organizational, and rhetorical communication. Second, the handbook presents an array of methods, theories, and topics in the effort to chart a comprehensive landscape of communication and sport scholarship. Thus readers will benefit from empirical, interpretive, and critical work, and they will also see studies drawing on varied texts and sites of inquiry. Third, the handbook of Communication and Sport includes a broad range of scholars from around the world. It is therefore neither European nor North American in its primary focus. In addition, the book includes contributors from commonly underrepresented regions in Asia, Africa, and South America. Fourth, the handbook aims to account for both historical trajectories and contemporary areas of interest. In this way, it covers the central topics, debates, and perspectives from the past and also suggests continued and emerging pathways for the future. Collectively, the handbook of Communication and Sport aspires to provide scholars and students in communication and media studies with the most comprehensive assessment of the field available. *Strategic Sport Communication* Paul M. Pedersen, Pamela C. Laucella, Edward (Ted) M. Kian, Andrea N. Geurin, 2024-04-10

Strategic Sport Communication Fourth Edition presents the Strategic Sport Communication Model (SSCM) and details the main components of sport communication: personal and organizational aspects of communication, mediated communication in sport, and sport communication services and support systems. **The Facebook Application Platform: An O'Reilly Radar Report** Tim O'Reilly, O'Reilly Radar Team, 2009-06-30. Facebook bet that opening its Application Platform would spur growth and build buzz, giving it an edge in the white-hot social network popularity contest. Four months and nearly 5000 applications later, it looks like that bet is paying off. Is Facebook the next platform for profits too? Find out what it takes to launch a successful Facebook application, understand the new rules of the application development game in a Web 2.0 world, and get the scoop on the most popular Facebook apps. In this new report from Tim O'Reilly and the O'Reilly Radar team, the report sizes up the Facebook opportunity: who's making money and how. Lays out best practices of marketing with Facebook Applications aka Social Media Optimization (SMO). Identifies the top 200 Facebook applications and plots their growth rates. Goes beyond Facebook and scopes out the emerging widget economy. The social network economy is sizzling, and The Facebook Application Platform is a must read for anyone who wants in on the Facebook opportunity. *Strategic Sport Communication* Paul Mark Pedersen, Pamela C. Laucella, Edward Kian, Andrea N. Geurin, 2021. This book explores the multifaceted segment of sport communication. This text presents a standard framework that introduces readers to the many ways in which individuals, media outlets, and sport organizations work to create, disseminate, and manage messages to their constituents.
