Learning and Memory Darrell Rudmann, 2017-10-20. *Learning and Memory* provides students with a clear, balanced, and integrated presentation of major theoretical perspectives foundational to the study of human learning and memory. Author Darrell Rudmann uses an engaging, personal writing style appropriate for students with little or no previous background in psychology to discuss topics including the major behaviorism theories of learning, modern cognitive theories of memory, social learning theories, the roles of emotion and motivation in learning, and the well-established neurological underpinnings of these perspectives. A concluding chapter on learning and memory concepts in the real world shows students how these concepts are applied in various industries, from advertising to education and the media.

The Los Angeles Dodgers Encyclopedia Richard J. Shmelter, 2017-12-04. Over the past 60 seasons, the Los Angeles Dodgers have risen to the pinnacle of Major League Baseball, winning 21 National League pennants and 6 World Series titles. Amid the backdrop of Hollywood glitz and glamor, the iconic franchise owes its consistent success to the talents and efforts of many. This encyclopedia provides stats and biographical details for all of them. Sections cover the 1958-2016 seasons, influential players and executives, Dodgers traditions and season and career records. An all-time player roster and list of all-time managers are included.
