President Jesse Wegman,2020-03-17 Wegman combines in depth historical analysis and insight into contemporary politics to present a cogent argument that the Electoral College violates America s core democratic principles and should be done away with Publishers Weekly The framers of the Constitution battled over it Lawmakers have tried to amend or abolish it more than 700 times To this day millions of voters and even members of Congress misunderstand how it works It deepens our national divide and distorts the core democratic principles of political equality and majority rule How can we tolerate the Electoral College when every vote does not count the same and the candidate who gets the most votes can lose Twice in the last five elections the Electoral College has overridden the popular vote calling the integrity of the entire system into question and creating a false picture of a country divided into bright red and blue blocks when in fact we are purple from coast to coast Even when the popular vote winner becomes president tens of millions of Americans Republicans and Democrats alike find that their votes didn t matter And with statewide winner take all rules only a handful of battleground states ultimately decide who will become president Now as political passions reach a boiling point at the dawn of the 2020 race the message from the American people is clear The way we vote for the only official whose job it is to represent all Americans is neither fair nor just Major reform is needed now Isn t it time to let the people pick the president In this thoroughly researched and engaging call to arms Supreme Court journalist and New York Times editorial board member Jesse Wegman draws upon the history of the founding era as well as information gleaned from campaign managers field directors and other officials from twenty first century Democratic and Republican presidential campaigns to make a powerful case for abolishing the antiquated and antidemocratic Electoral College In Let the People Pick the President he shows how we can at long last make every vote in the United States count and restore belief in our democratic system **The**
