Kimball, 2019-12-01

Originally published in 1969 In *The Most Unsordid Act* Warren Kimball provides a history of the Lend Lease idea The genesis and development of the Lend Lease idea although spanning less than two years offers a subject of the broadest significance for major questions of democratic government and society The story begins with the United States growing recognition of the British monetary and gold shortage and ends with the passage of the Lend Lease Act and the American commitment that it involved Dr Kimball s narrative chronological detailed and dramatic includes analyses of the domestic and international concerns on both sides of the Atlantic and of the roles of the leading protagonists President F D Roosevelt and Treasury Secretary Morgenthau as well as Stimson Hull Churchill and key British representatives He also examines the possibility that Lend Lease was designed to benefit the American economy at Britain s expense A central question animates Kimball s account How could a president who recognized the ultimate threat of Nazi Germany but shared his nation s desire to avoid war find a way to help an ally The portrait of Roosevelt that emerges is instructive in view of revisionist histories that present him as a Machiavellian figure disingenuously leading his country to war Kimball sees him rather as an essentially domestic president whose experiences and interests evolved from national concerns as a man unschooled in international affairs eager to avoid confrontation with his congressional opposition wary of the British penchant for power politics given to procrastination when faced with difficult problems and anxious to avoid full scale war Yet the administration s legislative strategy and the debate over the Lend Lease Act clearly demonstrated that the president his closest advisers and the Congress were aware that the legislation would inevitably mean war with Germany Based on such sources as the diaries of Morgenthau the State Department Archives Foreign Economic Administration records the Stimson papers and interviews with participants this study provides insights that raise central questions about the functioning of the American system of government Oversight Hearing on the Reauthorization of the Higher Education Act of 1965 United States. Francis Wharton,1889 Correspondence from the records of the Department of State from family archives and from published memoirs Designed to correct complete and enlarge the Diplomatic correspondence of the American Revolution Boston 1829
1830 published by Jared Sparks under the direction of Congress Oswald and the CIA John Newman,2008-06-01 From the
acclaimed author of JFK and Vietnam comes a book that uncovers the government s role in the Kennedy assassination more
clearly than any previous inquiry What was the extent of the CIA s involvement with Lee Harvey Oswald Why was Oswald s
file tampered with before the assassination of John F Kennedy And why did significant documents from that file mysteriously
disappear Oswald and the CIA answers these questions not with theories but with information from the primary sources
themselves ex agents officials and secret records To look at the Oswald file is to look at the most sensitive CIA operation of
the Cold War The story is as alarming as it is tragic the lies and manipulations it reveals led directly to Kennedy s murder

School Abuses United States. Congress. Senate. Committee on Governmental Affairs. Permanent Subcommittee on
Investigations,1996 The purpose of this hearing was to probe a pattern of fraud and abuse in the Pell Grant Program for
postsecondary students focusing specifically on the IADE American Schools a for profit vocational school with campuses in
the Los Angeles California area and serving primarily Hispanic students In his opening remarks Senator Roth detailed a
history of prior abuses of the program and lax oversight by the Department of Education Senator Nunn after summarizing a

five year series of hearings reports and recommendations testified that a year long investigation of the IADE schools had uncovered serious misconduct abuses and possibly fraudulent practices He charged that the Department was not only incapable of preventing a fraudulent institution from participating in student aid programs but was also unable to detect or pursue such fraudulent activities Following the senators opening statements the Subcommittee team investigating IADE schools reported its findings David Longanecker Assistant Secretary for Postsecondary Education then reviewed the Department s procedures and policies stating that oversight was being improved The final testimony was a report from the U S General Accounting Office assessing the Department s effectiveness in using student aid data to ensure compliance and prevent abuses An appendix contains the texts of the witnesses prepared statements 56 exhibit statements are listed separately CH

Resources in Education ,1996-10 "A New Kind of War" Howard Jones,1997-05-15 America s experience in Greece has often been cited as a model by those later policymakers in Washington who regard the involvement as a victory for American foreign policy Indeed President Johnson and others referred to Greece as the model for America s deepening involvement in Vietnam during the mid 1960 s Greece became the battlefield for a new kind of war one that included the use of guerrilla warfare propaganda war in the shadows terror tactics and victory based on outlasting the enemy It was also a test before the world of America s resolve to protect the principle of self determination Jones argues that American policy towards Greece was the focal point in the development of a global strategy designed to combat totalitarianism He also argues that had the White House and others drawn the real lessons from the intervention in Greece the decisions regarding Vietnam might have been more carefully thought out
