WTF Clinton Emslie, 2025-09-19 A humorous book about taking common sense off life support This collection of satirical short stories and novellas follows a dry stubborn narrator we call the Logical Mind as it wanders through today's chaos with a raised eyebrow and a pocket notebook Each piece pokes at the places where reason went missing and leaves a small marker where we might find it again Politics pop culture family group chats customer kings and online experts with diplomas from the University of Nowhere all make an appearance The tone is warm sharp and human The jokes land then the truth does You will laugh wince and recognize yourself in the best possible way Beneath the humor sits a simple invitation Let's stop pretending we are strangers Let's spot the patterns we share name the stories we tell ourselves and make one quiet repair at a time The Logical Mind is not a scold it is a companion that taps your shoulder and asks kindly Are we sure By the last page you will have met neighbors you thought you disliked found a version of yourself you forgot to root for and felt a nudge to do one practical decent thing before bed Read for the wit stay for the recognition
