Instagram Today:

Instagram Tama Leaver, Tim Highfield, Crystal Abidin, 2020-01-22 Instagram is at the heart of global digital culture having made selfies filters and square frames an inescapable part of everyday life since it was launched in 2010 In the first book length examination of Instagram Tama Leaver Tim Highfield and Crystal Abidin trace how this quintessential mobile photography app has developed as a platform and a culture They consider aspects such as the new visual social media aesthetics the rise of Influencers and new visual economies and the complex politics of the platform as well as examining how Instagram s users change their use of the platform over time and respond to evolving features The book highlights the different ways Instagram is used by subcultural groups around the world and how museums restaurants and public spaces are striving to be Insta worthy Far from just capturing milestones and moments the authors argue that Instagram has altered the ways people communicate and share while also creating new approaches to marketing advertising politics and the design of spaces and venues Rich with grounded examples from across the world from birth pictures to selfies at funerals Instagram is essential reading for students and scholars of media and communication

Instagram für Unternehmen Roger Basler, 2018-02-22 Sie kennen Soziale Netzwerke aber vor allem Facebook Sie möchten mehr über das am stärksten wachsende Social Network Instagram wissen Sie sind Unternehmerin oder Unternehmer Dann sind Sie mit diesem Buch auf der richtigen Spur Alles was Sie als Unternehmen und Unternehmer über Instagram wissen müssen Instagram gehört zu den weltweit meistgenutzten sozialen Plattformen Bilder und Videos sind heutzutage selbstverständlich im Content enthalten und bringen Ihnen vielversprechendes Engagement Vielfach wird jedoch das Betreiben einer sozialen Plattform wie Instagram unterschätzt Instagram wird Ihnen erst nützlich wenn Sie genau wissen wie Sie es verwenden müssen

Instagram Marketing Algorithms Michael Gates, 2020-10-06 The way brands communicate with their existing and target audience has undoubtedly transformed One of the main reasons for this transformation is the increase in the popularity of social networking platforms These days an increasing number of brands are using visual media for communicating their brand s message Social media has certainly revolutionized our lives Instagram has stood the test of time and is now one of the most popular social networking platforms today So if your brand isn t already on Instagram then there is no time like the present to get started Instagram has been around for a while but not a lot of people know how to make the most of its features The creators of this platform keep introducing new features along with changes to the algorithm So it is quintessential that you stay on top of all the updates In this book you will learn about the things you need to increase your following on Instagram so you can maximize your profits You will be given information about the different benefits you can reap by using Instagram You will learn about various tips for choosing the perfect Instagram name and tricks to optimize your brand s Instagram profile Apart from this you will also learn about specific strategies for building your niche on Instagram and thoroughly engage your audience Marketing on Instagram and how you can increase your following are also discussed in detail in this book A

combination of all these factors will ensure that your brand makes the most of all that Instagram has to offer You will want to make sure that whatever strategy you start to use on Instagram is going to keep the focus on the brand that you have built and how that brand sees the world Instagram is great for sharing videos and photos so make sure that when you connect the business with your followers make sure that it stays consistent with your brand rather than straying away or showing things that just don't go together Use your brand or company name in hashtags the hashtags that you pick don't have to be complicated If you already have a pretty good following on Instagram or your brand name is well known go ahead and use this as one of your hashtags This will make it easier for your followers to find you because they can just search the name and find some of your posts Make a follower famous it is not just about your followers checking out your posts it is about how you interact with your followers Take the time to look over the pages of your followers and then like and share some of their posts This helps to show the customers that you really appreciate them because you are acknowledging their cool posts and sharing them with others on your page Be careful with this one though because some may be personal and you should always ask for permission beforehand if you are unsure whether they would like it shared or not So if you are ready to learn more then let us get started immediately

Bilder der Gegenwart Harald Klinke, Lars Stamm, 2013-10-17 Wir Menschen produzieren und rezipieren mehr Bilder als jemals zuvor in der Geschichte Digitale Fotografie Facebook Google Street View Computerspiele Zahlreiche Beispiele machen deutlich dass digitale Bilder unseren Alltag dominieren Doch was ist das digitale Bild im Unterschied zum analogen Wie kommunizieren wir heute mit Bildern Ist das digitale Bild verantwortlich für einen Paradigmenwechsel der eine neue Bildtheorie notwendig macht ndert sich überhaupt etwas im Hinblick auf den Gebrauch und die Funktion Bringt die Immaterialität der Bilder eine veränderte Ästhetik hervor Und schließlich Was ist die Zukunft des digitalen Bildes Diese Fragen werden in diesem Band von Autoren der Fächer Kunstgeschichte Philosophie und Kulturanthropologie im Rahmen eines studentischen Forschungsprojektes behandelt Die einzelnen Beiträge geben einen Einblick in die gegenwärtige Forschung zum digitalen Bild aus einem kunst und bildwissenschaftlichen Blickwinkel heraus
