The Weeks and Months of Sport David Faris, 2010 A guide to the unique sports personality of each week and month of the year Cover Shapiro's World Jonathan S. Shapiro, 2009-06 **Kings of the Garden** Adam Criblez, 2024-04-15 No detailed description available for Kings of the Garden Save Baseball Larry Hausner, 2024-01-29 Major League Baseball has been in crisis in recent years Game attendance is down by millions and fan interest is in free fall The future of the game is in jeopardy While the League acknowledges the issues many are stumped as to how to address them This book explores in detail the critical challenges facing MLB and their ramifications along with some potential solutions Interviews with baseball insiders players to executives give a perspective on baseball's struggle to reinvent itself for future generations *The Ecstasy of Defeat* Editors of The Onion, 2011-12-20 The Sports Page As You've Never Seen It Before From painfully obvious steroid revelations to sex scandals and superstars who announce trades in over the top TV specials the wide world of sports can often seem too ridiculous for words Well attention sports fans In The Ecstasy of Defeat the editors of The Onion offer the laugh out loud funny and long overdue lampoon of sports culture you've been waiting for Filled with the very best of The Onion's bench clearing sports coverage this book includes such classics as Lip Reading BCS Computer Kills Officials Who Want To Shut It Down Barry Bonds Took Steroids Reports Everyone Who Has Ever Watched Baseball Report Cheap Chinese NBA Players Falling Apart After A Few Seasons Barbaro's Doctors A Horse This Good You Don't Eat All At Once Lance Armstrong Wants To Tell Nation Something But Nation Has To Promise Not To Get Mad No topic escapes the satirical slap of America's Finest News Source and the book covers not only mainstream sports such as baseball basketball and football but also lesser sports sports culture and special events like the World Cup and the Olympics Featuring all the players teams and sports we love and love to hate The Ecstasy of Defeat is a must read for sports nuts and Onion fans alike **Scholastic Year in Sports 2024** James Buckley, 2024-01-02 The ultimate book for young sports fans is back with the past year's top sports stories Look back on another year in sports with Scholastic featuring exciting and all new coverage for 2023 Get up close and personal with the top athletes in baseball basketball football soccer and more in this perfect book for sports fanatics and newbies alike **Shine the Light** Jim Matthews, 2024-06-11 The sandlot movement is a different animal drawing players of all ages back to their roots If you remember playing baseball in yards and alleyways or an open field you'll be glad to know the tradition continues in grownup leagues across the nation A lifelong fan of baseball both from a watching and a semi pro player author Jim Matthews spent his professional days as a television newscaster and sports broadcaster in Austin Texas After what he thought would be his last semi pro game ending with a home run he pondered what could fill the void of playing the game he loved Pondering this conundrum Matthews and lifelong friend and former Nike president Elliott Hill decided that going back to their roots sandlot baseball might be just what they needed Testing the waters with a few different teams and leagues including future rivals the Texas Playboys they decided to create their own team the Austin

Moontowers But when it comes to playing on the sandlot as it was as a child the key was not if you won or lost Camaraderie not rivalry spurs you Shine the Light includes glimmers of friendships resurrected half a century later and new friendships with interesting and sometimes high profile players now part of the sandlot nation It shares a personal backstory about my dual heritage Hispanic and Scot Irish the parents who shaped Jim s character and tragedies mixed with soaring milestones Most of all this is a book about cross country adventures that landed Matthews back home to Austin and onto sandlots despite arthritic knees and a hip replacement It s about passion and esprit de corps that can only be found on base or in front of the pitching mound on a field that may be full of weeds or fire ants But when you re able to play the game you love in its purest form the small things that might bother most just come with the territory Find the Moontowers Baseball Club at [instagram austinmoontowers](#) and [www moontowers co](#) *Loserville* Clayton Trutor,2022-02 Clayton Trutor examines how Atlanta s pursuit of the big leagues invented business as usual in the business of professional sports **Sports and Their Fans** Kevin G. Quinn,2014-01-10 Though Americans spend more than 25 billion a year on sports and sporting events this book argues that the influence of sports on our lives is even more profound than this huge figure would seem to suggest Exploring such topics as the role of sports in the creation of mass culture cheating the abuse of illegal drugs the strange and fascinating role that numbers play in sporting events and the future of spectator sport this book surveys the outsized impact that sports have on American culture The author draws from new work in such fields as history economics politics sociology psychology and ethics to support his claims Instructors considering this book for use in a course may request an examination copy here **Amazin' Upset** John G. Robertson,Carl T. Madden,2021-07-09 In October 1969 the New York Mets stunned the sports world by defeating the heavily favored Baltimore Orioles in a memorable World Series Their five game triumph capped off a true Cinderella season when the woebegone National League franchise rose from laughingstock to popular champions The histories of both the Mets and Orioles are traced along with their paths to the climactic 69 Series A batter by batter recap of all five games gives a box seat view to a storied moment in baseball history **Baseball, Golf, Wars, Women & Puppies** Buck Peden,2011-08-10 I started my autobiography Baseball Golf Wars Women Puppies with a grabber page from my first trip to the Vietnam War on board the USS PERKINS DD 877 Then I followed with a chronological rendition which covered a trip to the Korean War and another to Vietnam during my 20 years in the U S Navy on three other different naval vessels but began with the chronological format of a life of a river rat born somewhat infamously in 1932 on the banks of Memphis My life in sports approximately 16 years moonlighting as a photojournalist my college education followed by 12 years as executives with the Chicago White Sox 5 and Cubs 7 concluding with one of several ownerships of small companies rounded out my interesting career I originally planned to continue with my three trips to the Vietnam and Korean Wars including my injury and sad losses of shipmates and friends Then go to my childhood parenthood many exciting careers etc etc etc However it didnt take too long for me to decide the categories overlap in too many places Hence A few

years later Elvis Presley arrived on the planet and eventually became internationally famous there Memphis long known as the Home of the Blues was to become also famous as the home of the King of Rock n Roll My first high school Whitehaven is only a few blocks from Elvis Graceland And my Southside High bride and I began training our dancing shoes to the big bands of the 40s and peaked with the rocking and twisting of the 50s and 60s Although only a senior to be in high school the Korean War found me an early enlistee Why Because I was a youngster almost entering teenage during World War II Everything was thrilling about the big one for a boy that age All the toys were guns tanks jeeps warplanes etc The war movies were always exciting and in most cases the hero ended up with the female star As I was a young budding teenager females were becoming of more interest in my life I have never met any male whose sex life began earlier than mine older girls are great teachers Also the U S Navy aircraft pilots were my idols Landing airplanes on a sea going vessel was my kind of challenge I was so hooked that I joined the Navy to become a fighter pilot The recruiter was surprised at how I could identify all aircraft of nations involved in WWII I even memorized the horsepower of power plant s plus the cruising and maximum speed of each airplane My favorite was our Corsairs F4U a gull winged propeller fighter It never occurred to me until this moment recalling this tidbit but one of these planes almost killed me However the moonlighting working a civilian job at night on shore duty between these wars helped prepare me for my career highlight era in Major League Baseball There is no doubt about it my leash of life is anchored to the sportsworld My youth was playing or inventing sports orientated things It gave me a second glance by people in the sportswriting and sportscasting fields This all led to sports columnist and sports editor jobs in the newspaper business This along with learning the print business was not only a challenge which I always relished but was mucho fun The many hours and stress involved led to more and more alcohol Which definitely made a honky tonk man out of me where there is plenty of wine women and song The latter threesomes were like a personal little cloud that follows me throughout most of this autobiography I wasnt able to attend college fulltime until I finished my 20 years in the U S Navy Then finishing With Honors gave my mother extreme pride after her total education was a small 12 total students high school in sticks of Mississippi I had almost completed by Masters Degree and CA Lifetime Teachers Credential when I got into Major League Baseball and went to Chicago

Veterans Stadium Rich Westcott, 2005-10-02 Veterans Stadium was the outdoor sports and concert capital of Philadelphia from 1971 until its televised demolition in 2004 At its best The Vet spawned two of the greatest moments in the city s sports history Tug McGraw s 1980 strikeout of Willie Wilson to win the World Series and the Eagles thrashing of the Dallas Cowboys to clinch their first Super Bowl bid At its worst it saw fans pelt Santa Claus with snowballs and the opening of an in stadium branch of Philadelphia municipal court to deal with rowdy Eagles fans Part of a look alike generation of all purpose stadiums erected around the country the Vet took on its own personality over the years For all its deficiencies it left fans loving it in the way they loved their own families warts and all Almost 100 photographs and Rich Westcott s yarns make Veterans Stadium the one book that will help Philadelphians and Philadelphia visitors remember
