*Every Minute Matters [Grades K-5]* Molly Ness, 2020-07-02

Make the most of every instructional minute with engaging literacy activities

Time or lack thereof may be the most precious commodity in the classroom

From covering all the necessary curriculum and imparting life skills to attending meetings and answering emails educators are faced with real challenges when there never seems to be enough time to do it all

Although teachers don't have the power to create more minutes in the school day they do have the power to be effective and efficient with the time given

Molly Ness asks teachers first to examine their use of time in the classroom in order to make more space for literacy

She then introduces 40 innovative activities designed to replace seatwork

These literacy rich alternatives for classroom transitions are presented alongside

Research on instructional time in K-5 classrooms

Strategies for how to maximize every minute of instruction

Suggestions for improving efficiency to expand independent reading and writing time

Reflective practices to help teachers examine how they use the time they have

The instructional day is ripe for redesign with a thoughtful and authentic time audit

*Every Minute Matters* guides educators through that process by outlining literacy rich activities to optimize transitional times and minimize lost instructional minutes

*Strategies for Effective Balanced Literacy* Fresch, Mary Jo, 2017-03-01

This easy to follow guide is filled with practical approaches to help teachers transition towards a balanced literacy framework

Designed for both newer and veteran teachers alike this straightforward book offers simple techniques and concrete strategies to nurture reading and writing skills through

Shared Guided Independent Reading and Writing activities

This resource gives teachers in depth lessons plans that take the guesswork out of what is needed in the Language Arts classroom to implement the Balanced Literacy approach
