

A composite image of four diverse Amazon remote workers. From left to right: a woman with long brown hair wearing a blue denim jacket over a dark green shirt; a man with a beard and glasses wearing a blue patterned shirt; a woman with dark hair wearing a dark blue polka-dot shirt; and a man with a beard and glasses wearing a light blue button-down shirt. All four are wearing large black over-ear headsets and are smiling or looking towards the camera. They are positioned behind laptops, which are partially visible at the bottom of the frame.

Amazon Benedetta Brevini, Lukasz Swiatek, 2020-11-26 Taking a political economy of media approach this book examines Amazon as a significant actor in the global media landscape Amazon is mainly conceived in the popular consciousness and media commentary as a corporate body selling products and services to individual consumers and organisations but Brevini and Swiatek show that Amazon has become a communication giant that trades in diversified media its own and others and exerts a significant influence on global communication especially through its online services Further the authors provide evidence of Amazon's multiple influences on politics economics and culture With its comprehensive and critical overview this book is ideal for students scholars and researchers of media and communication studies and political economy *Research Anthology on Human Resource Practices for the Modern Workforce* Management Association, Information

Resources, 2021-12-30 Human resource departments have been a crucial part of business practices for decades and particularly in modern times as professionals deal with multigenerational workers diversity initiatives and global health and economic crises There is a necessity for human resource departments to change as well to adapt to new societal perspectives technology and business practices It is important for human resource managers to keep up to date with all emerging human resource practices in order to support successful and productive organizations The *Research Anthology on Human Resource Practices for the Modern Workforce* presents a dynamic and diverse collection of global practices for human resource departments This anthology discusses the emerging practices as well as modern technologies and initiatives that affect the way human resources must be conducted Covering topics such as machine learning organizational culture and social entrepreneurship this book is an excellent resource for human resource employees managers CEOs employees business students and professors researchers and academicians **Cross-Border E-Commerce Marketing and Management**

Hoque, Md. Rakibul, Bashaw, R. Edward, 2020-10-30 The continued advancement of globalization increases in internet connectivity compatibility of international payment systems and adaptability of logistics and shipping processes have combined to contribute to the rapid growth of the cross border e commerce market Due to these advancements and the ubiquitous presence of smartphones consumer use of cross border e commerce is increasingly simplified and thus sellers are hardly restricted to a specific country in terms of promoting selling and shipping goods worldwide The burgeoning opportunities habits and trends of shopping on cross border e commerce platforms have expedited the prospect of becoming a presence in the global market This is true for enterprises of all sizes especially for small and medium sized enterprises SMEs that want to add their footprint in the international market for the first time Like any other industry cross border e commerce has its specific economics and driving forces but has different scopes challenges and trends due to the geographic and cultural expanse of relevant environments *Cross Border E Commerce Marketing and Management* was conceptualized by identifying the scope of new complementary information with a comprehensive understanding of the issues and potential of

cross border e commerce businesses The authors believe that this book will not only fill the void in the current research but will also provide far sighted vision and strategies as it covers big data artificial intelligence IoT supply chain management and more This book provides the necessary knowledge to managers to compete with the competitive market structure and ultimately contribute to the sustainable economic growth of a country It works as a guideline for existing cross border e commerce managers to formulate individual strategies that combine to optimize the industry while keeping the enterprise competitive This book is useful in both developed and developing country contexts This publication is an ideal resource for academicians policy makers stakeholders and cross border e commerce managers especially from SMEs
