- Proactively examined all unpaid claims, corrected or appealed them within a set time limit.
- Interacted with representatives from external vendors on open claims while preserving and supplying all necessary verification requirements to ensure payments.
- Reduced loss potential by more than 30% by implementing the ever-changing warranty policies and processes.

I am a very organized, meticulous person who can do several projects at once. I have strong problem-solving, and communication skills, and the capability to work both independently and collaboratively. I have no doubt that these abilities will be beneficial to your company.

My range of experience coupled with my ability to be an enthusiastic, compassionate professional would make a positive contribution to your institution. I would welcome an interview and hope to hear from you at your earliest convenience.
