Progress in Brain Research serial highlights new advances in the field with this new volume presenting interesting chapters
Each chapter is written by an international board of authors Provides the authority and expertise of leading contributors from
an international board of authors Presents the latest release in Progress in Brain Research serials Updated release includes
the latest information on Game Based Learning in Education and Health **Game Devs & Others** Tanya
DePass,2018-05-23 Game Devs Others Tales from the Margins tell the true stories of life in the industry by people of color
LGBTQIA and other marginalized identities This collection of essays give people a chance to tell their stories and to let others
know what life on the other side of the screen is like when you re not part of the supposed majority Key Features This book is
perfect for anyone interested in getting into the games industry who feels they have a marginalized identity For those who
wish to better diversify their studio or workplace who may or may not have access to individuals that could or would share
their stories about the industry Includes initiatives aimed at diversifying the industry that have a positive or negative impact
on the ongoing discussions Coverage of ajor news items about diversity conferences aimed at or having diversity at its core of
content and mission are discussed Included essays are written with as little game dev specific jargon as possible makeing it
accessible to people outside the industry as well as those in the scene but that may not have all the insider lingo
