The Broken Promise Mabior P. Mach, 2017-06-16 Makeer is a man of high hopes Intelligent and educated he is a teacher in Sudan when he leaves his home and family for the bush to fight for freedom and human dignity At home his sons must fight their own battles as violence and death by malnutrition increase Yet nothing is quite as horrific as the way man treats man in the African battle for peace The Broken Promise is based on the true terrors of the Sudanese Civil War Fighting for the prosperity of his country Makeer is blind sided by the hypocrisy of his leaders while dodging bullets and watching his family die He finds strength in moments of hope mixed with intense despair but is hope enough to keep him fighting while the world goes mad Makeer might glimpse ultimate victory touch for a moment high ideals and morality but he soon comes face to face with blackmail and murder in South Sudan a new country he helped curve out of the Sudan War is a thing of corruption and betrayal which Makeer learns fi rst hand However he fights onward proving that no amount of suffering will ever suppress the quest for human dignity
