Determining the College Football Playoff: Weighted Wins, A Better Approach Ray D. Theis, Mark G.

Terwilliger, 2021-09-21 In this book we explore the history of college football and in particular the mythical college championship from 1869 to the present day For several years different media outlets took it upon themselves to declare a national championship which led to nothing short of confusion In one year four different teams were named champion This chaotic situation and accompanying controversy ultimately led to the creation of the Bowl Championship Series or BCS Initially the BCS selection was based on a formula that incorporated several polls and computer models However the proprietary nature of the computer models and the complexity of the mathematics used to combine the data sources to arrive at the final selection did very little to quiet the controversy This led to the creation of a selection committee to choose the four best teams to compete in a four team playoff Again controversy has ensued with many questioning the politics and nebulous capricious nature of the criteria We have created an alternate model which we have dubbed the weighted wins system that defines a simple unbiased and consistent mechanism for evaluating and comparing the records of the teams in the NCAA's Bowl Subdivision We have compared the results of the weighted wins model against forty years of actual game results and found that it generates very similar outcomes The primary difference is that it completely removes politics from the selection process and offers a clear path to the playoffs for all members of the Bowl Subdivision Dream Mirin

Fader, 2024-10-15 The life and legacy of pioneering international basketball superstar Hakeem Olajuwon a two time NBA champion whose Hall of Fame career forever changed the game both in the United States and around the globe from the New York Times bestselling author of Giannis Mirin Fader It's now the norm for NBA and collegiate teams to have international players dotting their rosters The Olympics are no longer a gimme for Team USA Both via fans streaming from all over the globe and leagues starting in countries throughout the world the international presence of the game of basketball is a force to be reckoned with That all started with Hakeem the Dream Olajuwon He was the first international player to win the MVP which is hard to believe now considering the last time an American born player won it was in 2018 Award winning hoops journalist Mirin Fader explores this phenomenal shift through the lens of what Olajuwon accomplished throughout the 1980s and 90s Dream ignites nostalgia for Phi Slama Jama and the Dream Shake while also exploring the profound influence of Olajuwon's commitment to Islam on his approach to life and basketball and how his devotion to his faith inspired generations of Muslim people around the world Olajuwon's ongoing work with NBA Africa his status as an international ambassador for the game and his consultations with today's brightest stars from LeBron James to Giannis Antetokounmpo

brings the story right up to the present moment and beyond Synthesizing hundreds of interviews and in depth research Fader provides the definitive biography of Olajuwon as well as a crucial understanding of his pivotal impact on the ever shifting game All In Vince McKee,2016-10-18 The Cleveland Cavaliers franchise has been in existence for more than forty five years and it hasn't been an easy ride for the team or their fans with many ups and downs along the way They had seen the Miracle in Richfield in 1976 The Shot by Michael Jordan to knock them out of the playoffs in 1989 the arrival of The Chosen One LeBron James in 2003 and a trip to the NBA Finals in 2007 but never a title All In The Story of LeBron James and the 2016 NBA Champion Cleveland Cavaliers takes readers on the rollercoaster ride from LeBron coming back to Cleveland to their 2015 NBA Finals appearance through the unforgettable 2015 16 season that gave the city of Cleveland their first major sports championship in fifty two years Author Vince McKee brings to life all the drama on and off the court including how the team was built why coach David Blatt was fired and replaced by Tyronn Lue midway through the season and every big game and play along the way straight through to the dramatic 2016 NBA Finals and epic comeback against the seemingly unbeatable Golden State Warriors LeBron James finally earned his long awaited redemption Kevin Love made his presence felt under the boards Kyrie Irving took to the NBA's biggest stage and made it his own under the brightest of lights and J R Smith Tristan Thompson Richard Jefferson and Iman Shumpert all made key contributions All In is a must have for all Cleveland sports fans *Bringing Sports Culture to the English Classroom* Luke Rodesiler,2022-09-23 Learn how to use literature and informational texts related to sports as an alternative or a supplement to a canon centric English classroom This practical book promotes an instructional approach that honors students knowledge of interests in and experiences with sports culture to advance literacy learning Informed by his own experiences in high school classrooms the author documents the distinct methods employed by four secondary English teachers in rural urban and suburban schools Each narrative features the voices of teachers and students and details a range of activities that readers can adapt for their unique contexts Whether teaching traditional English courses or those focused on the study of sports literature teachers can use this book to tap into students sporting interests and foster critical readings of sports culture as a mirror to our greater society Book Features Adaptable methods for using sports related content to foster the six language arts reading writing speaking listening viewing and visually representing Actionable ideas for going beyond sports fandom and instead reading sports culture through a critical lens Implications for incorporating sports culture into the English curriculum whether teaching traditional courses or a stand alone sports literature class Answers to frequently asked questions that can support teachers as they bring sports culture to the English classroom Life in the G Alex Squadron,Andre Ingram,2023-10 Welcome to the G League the official minor league of the National Basketball Association Life in the G is about the arduous quest to achieve an improbable goal making it to the NBA Zeroing in on the Birmingham Squadron and four of its players Jared Harper Joe Young Zylan Cheatham and Malcolm Hill Alex Squadron details the pursuit of a dream in what turned out to be the most

remarkable season in the history of minor league sports Life in the G League is far from glamorous Players make enormous sacrifices and work unimaginable hours in the hope that someone in the NBA will give them a chance To this day very few fans even the most passionate followers of the NBA know much about the G League In the fall of 2021 the Birmingham Squadron granted author Alex Squadron complete access to the team to capture the experience of playing in the league That year with hundreds of NBA players sidelined by the highly contagious Omicron variant of COVID 19 the G League saw a record number of call ups Sports Illustrated labeled it the year of the NBA replacement player Many of those players stayed in the NBA earning life changing contracts and taking on significant roles for their new teams In addition to recounting the organization s inaugural season Squadron s access to the Birmingham Squadron enabled him to document the incredible journeys of G League players and to tell the larger story of life in the G This is the inspiring tale of an unforgettable season and the emotional roller coaster for everyone involved in the chase for an NBA dream **Pipeline to the Pros Ben**

Kings of the Garden Adam J. Criblez, 2024-04-15 In *Kings of the Garden* Adam J Criblez traces the fall and rise of the New York Knicks between the 1973 the year they won their last NBA championship and 1985 when the organization drafted Patrick Ewing and gave their fans hope after a decade of frustrations During these years the teams led by Walt Frazier Earl Monroe Bob McAdoo Spencer Haywood and Bernard King never achieved tremendous on court success and their struggles mirrored those facing New York City over the same span In the mid seventies as the Knicks lost more games than they won and played before smaller and smaller crowds the city they represented was on the brink of bankruptcy while urban disinvestment growing income inequality and street gangs created a feeling of urban despair *Kings of the Garden* details how the Knicks fortunes and those of New York City were inextricably linked As the team s Black superstars enjoyed national fame Black musicians DJs and B boys in the South Bronx were creating a new culture expression hip hop that like the NBA would become a global phenomenon Criblez s fascinating account of the era shows that even though the team s efforts to build a dynasty ultimately failed the Knicks like the city they played in scrappily and spectacularly symbolized all that was right and wrong with the NBA and the nation during this turbulent creative and momentous time
