Notes

Reaves' debut signature shoe with Rigorer after signing with the brand in 2022.

The brand's roster previously included Jimmy Fredette as their main star player.

82/100

Pros

✓ Traction performance. Top-tier or close to. Reportedly even handles dusty courts very well.

Cons

✗ Inflexible midsole. Fails to bend naturally at the toe joint even after considerable breaking-in. As a result, some users even reported heel-slippage.

✗ Overly thick insoles. Leads to a reduced sense of court-feel. Swapping out for more practical insoles may require choosing a different size.

Reddit Review:

Designing for Democracy Jennifer Forestal, 2022 How should we fix digital technologies to support democracy instead of undermining it In *Designing for Democracy* Jennifer Forestal argues that accurately evaluating the democratic potential of digital spaces means studying how the built environment a primary component of our modern public square structures our activity shapes our attitudes and supports the kinds of relationships and behaviors democracy requires While many scholars and practitioners are attentive to the role of design in shaping behavior they have yet to fully engage with the question of what structures are required to support democratic communities and how to build them Forestal closes this gap by providing a new theory of democratic space Drawing from a wide range of disciplines including architecture psychology and the history of political thought she argues that democratic spaces must be designed with three environmental characteristics boundaries durability and flexibility that taken together afford users the ability to engage in fundamental civic practices Through extended analyses of Facebook Twitter and Reddit Forestal shows precisely how well these digital platforms meet the criteria for democratic spaces or whether they do so at all The result is a more nuanced analysis of the democratic communities that form or fail to emerge in these spaces as well as more concrete suggestions for how to improve them In connecting the built environment digital technologies and democratic theory *Designing for Democracy* provides blueprints for democracy in a digital age

Youth Digital Health and Online Platforms Martyna Gliniecka, 2024-12-27 *Youth Digital Health and Online Platforms* focuses on young people's use of the digital platform Reddit for health Drawing upon dialogism theory the book explores how young people produce a youth led discourse of youth digital health different from the adult led framing represented in youth digital health research policy and service delivery Peer led discussions online remain one of the controversial forms of youth digital health associated with negative peer influence or casual teenage talk This book argues that online peer led dialogues support young people's agency in health and that young people can benefit from dealing with health issues with peers The work is based on the digital ethnography of teenagers' subreddits on Reddit and utilises a theoretical framework of dialogism a linguistic based theory originated by an early 20th century Russian philosopher Mikhail Bakhtin The book introduces the concept of dialogical youth led youth digital health discourse formed in the peer led space of Reddit This youth led discourse celebrates equality and diversity amongst people meanings and opinions It is constructed around three relational elements socio material affordances creative practices and a plurality of youth voices Reddit's pseudonymous anti authoritarian and egalitarian nature supports the emergence of this youth led discourse The book can interest scholars and lecturers in childhood and youth studies Internet studies and youth health studies Professionals such as policymakers service designers deliverers online safety educators and global youth and health agencies can use evidence based insights in their work with young people

Badass Women and Hashtagged Zombies Allison Christina Budaj, 2024-10-16 In its evolution from graphic novels to a sprawling multimedia universe the impact of *The Walking Dead*

cannot be understated Beyond its narrative roots a passionate community of viewers use social media to delve deeper into the anxieties and social issues portrayed within the narrative universe This book uses fan discussions on social media platforms to analyze the series appeal and its ability to provoke discussions about survival societal norms and gender roles leading to a significant online presence and discussions about the characters actions and societal issues portrayed Viewers perceive and champion unconventional actions especially as the leading female characters defy traditional gender roles With the introduction of more diversity the progression of characters within The Walking Dead and its spinoffs continues to disrupt stereotypes Focusing on analyzing audience engagement with AMC s The Walking Dead and its spinoffs through social media this book highlights how fan based interactions in creating a participatory culture around the series highlight societal issues presented offering interpretations theories and personal connections By integrating fan commentary into the analysis fans act as active collaborators in understanding the impact of The Walking Dead universe as a meaningful popular culture artifact

Understanding Reddit Elliot T. Panek, 2021-12-24 This book offers a comprehensive scholarly overview of Reddit one of the most popular and least studied social platforms of the early 21st century The book inspires new ways of thinking about Reddit considering it from multiple perspectives through a historical lens as a site where identity is forged as a democracy as a community and as a news aggregator and distributor By bringing theories from computer mediated communication communication studies and sociology to bear on original large scale observational analyses of Reddit s communities this book provides a uniquely comprehensive overview of the platform s first 15 years Understanding Reddit will help us make sense of how rapidly growing communities function in an era of mass online anonymity Serving both as a primer on how social behavior on Reddit plays out and as a way of locating it within multiple theoretical traditions the book will offer important insights to scholars and students in the disciplines of communication media studies information science internet and emerging media studies and sociology

The Glass Cliff is a conversation about what happens when women break the rules and break through The Glass Ceiling. Every current and aspiring leader needs to read this book. Helen Tupper, Sarah Ellis, authors of *The Squiggly Career* and *You Coach You Clever*, brilliantly researched and vitally important. Dawn O'Porter, bestselling author of *The Cows* and *Cat Lady*. Have you ever wondered why there are so few success stories of women in business leadership? Or maybe you've wondered what life is really like on the other side of The Glass Ceiling? The world of work is supposedly changing, embracing diversity, yet are the opportunities we're giving to women really equal to those of men? Drawing on almost twenty years of research from around the world, *The Glass Cliff* phenomenon whereby women are often only hired in leadership roles when a business is already underperforming, meaning their chances of success are limited before they even start in the role, is well established but little known. Until now. This is the story of The Glass Cliff, a story of a structural inequality disguising itself as the personal failures of women. When Sophie Williams gave her viral TED talk on the subject, she was subsequently flooded with accounts of confident accomplished women who had taken what seemed like a dream leadership role only to quickly find themselves in a waking nightmare. Without the language to describe their experiences, they had been left blaming themselves. But learning about The Glass Cliff enabled them to reframe and reexamine what they'd gone through. Once we understand The Glass Cliff, once we can stand together and face it head first.

we can start to unravel so many other false narratives about women's leadership experiences that just don't make sense without it. By understanding the phenomenon and by telling one another about it we can affect the conversation, empower one another to overcome societal bias and ultimately change the world of work for women forever.

Social Media for Strategic Communication Karen Freberg, 2021-07-02. *Social Media for Strategic Communication: Creative Strategies and Research Based Applications*, Second Edition, teaches students the skills and principles needed to use social media in persuasive communication campaigns. This book combines cutting edge research with practical on the ground instruction to prepare students for the real world challenges they'll face in the workplace. By focusing on strategic thinking and awareness, this book gives students the tools they need to adapt what they learn to new platforms and technologies that may emerge in the future. A broad focus on strategic communication from PR, advertising and marketing to non profit advocacy gives students a broad base of knowledge that will serve them wherever their careers may lead. The Second Edition features new case studies and exercises and increased coverage of diversity and inclusion issues and influencer marketing trends.

Environmental Policy Science's Exploration for Innovative Data Nicholas Guehlstorf, 2025-08-04. This edited volume discusses the use of nontraditional data sources in environmental political research and its implications for policymaking. Researchers involved in natural resource investigations and pollution control analysis must be entrepreneurial in finding and utilizing data sets to answer pressing policy questions. To remain relevant, successful researchers must increasingly seek data beyond routine federal program assessments, fragmented local surveys and limited stakeholder interactions. This volume surveys current environmental research that draws on emerging data sources such as social media and political discourse. It poses critical questions about the potential of creative and innovative analytical approaches, particularly in contexts where policymakers have disregarded objective evidence based social science on environmental challenges. By encouraging scholars to adopt new methods, research designs and data sources, this book offers valuable insights for researchers across the social and environmental sciences.

Online Community Therapy Will Henderson, Mary Jackson Pitts, 2022-09-28. This book explores how online therapy communities offer an accessible space that is not confined by economic abilities, geographical barriers or familial restraints. Will Henderson and Mary Jackson Pitts use mixed methodologies of self administered surveys and in depth interviews to explore how online therapy communities can be used as a tool in the overall care of individuals who are in crisis and dealing with self harming thoughts and behaviors. Faced with monetary constraints, lack of insurance coverage and close connections who have no experience in addressing self harming behaviors, this book highlights online therapy community members' experiences and insight into how online therapy communities have been helpful and may be helpful for others who choose to be a part of these communities. Scholars of communication, sociology and psychology will find this book of particular interest.

The English Historical Review Mandell Creighton,Justin Winsor,Samuel Rawson Gardiner,Reginald Lane Poole,Sir John Goronwy Edwards,1887 Brunei English Salbrina Sharbawi,David Deterding,Nur Raihan Mohamad,2024-09-04 This book is a revised and updated edition of the first ever monograph wholly dedicated to the systematic linguistic description of Brunei English Deterding and Salbrina 2013 provided a comprehensive coverage of the history structural properties on the levels of pronunciation grammar discourse and vocabulary and social and educational settings of Brunei English After almost

a decade several notable changes have since been observed in the Bruneian variety of English and this second edition chronicles the ongoing narrative of language change and discusses the current trends in the use of Brunei English. In addition to presenting a contemporaneous account of English in Brunei, this book also incorporates the role of variation within this variety, thereby addressing a limitation of the first edition. The book also provides a discussion on the impact the rise of English has had in the shaping of the Bruneians' sense of self and their interactions between and across social groups. Based on the newly acquired data, the book reassesses Brunei English's position in the context of Global Englishes.
