Professor

Baseball Edwin Amenta,2008-09-15 It happens every summer packs of beer bellied men with gloves and aluminum bats putting their middle aged bodies to the test on the softball diamond For some this yearly ritual is driven by a simple desire to enjoy a good ballgame for others it s a way to forge friendships and rivalries But for one short wild haired bespectacled professor playing softball in New York s Central Park means a whole lot more It s one last chance to heal the nagging wounds of Little League trauma before the rust of decline and the relentless responsibilities of fatherhood set in Professor Baseball is the coming of middle age story of New York University professor and Little League benchwarmer Edwin Amenta As rookie manager of the Performing Arts Softball League s doormat Sharkeys he reverses softball s usual brawn over brains formula

He coaxes his skeptical teammates to follow his sabermetric and sociological approach based equally on Bill James and Max Weber which in the heady days of early success he dubs Eddy Ball But Amenta soon learns that his teammates attachments to favorite positions and time honored if ineffective strategies are hard to break especially when the team begins losing And though he rejects the baseball as life metaphor life keeps intruding on his softball season Amenta here comes to grips with the humiliation of assisted reproduction suffers mysterious ailments and finds himself lingering at the sponsor s bar while his partner a beautiful but baseball challenged professor second guesses his book in the making Can he turn his team and his life around Packed with colorful personalities dramatic games and the bustle of New York life Professor Baseball will charm anyone who has ever root root rooted for the underdog *Kanban Maturity Model* David J Anderson, Teodora Bozheva, 2021-08-31 Leistungsstarkes Werkzeug f r Kanban Initiativen Roadmap zur schrittweisen kontinuierlichen Prozessoptimierung Spezifische Praktiken um Organisationen beweglicher und anpassungsf higer zu machen Pragmatisches Vorgehen angelehnt an bekannte Reifegradmodelle wie CMMI Das Kanban Maturity Model KMM entstand durch die Arbeit in den letzten 10 Jahren bei der Einf hrung von Kanban in kleinen und gro en Unternehmen verschiedener Branchen Es spiegelt die Erfahrung wider dass die angewendeten Kanban Praktiken zur organisatorischen Reife des Unternehmens passen m ssen Die KMM Roadmap und konkrete Ma nahmen erm glichen es die gew nschte Business Agilit t zu erreichen Die sieben Reifegrade des Modells sind an etablierte Reifegradmodelle wie CMMI angepasst und erg nzen bzw erweitern diese Das Buch richtet sich an Kanban Coaches und F hrungskr fte die bei der Einf hrung oder Verbesserung von Kanban Implementierungen handlungsleitende Hilfestellung suchen Die verwendeten Praktiken werden mit vielen anschaulichen Beispielen erl utert Scientific American ,1991 Monthly magazine devoted to topics of general scientific interest

Character Is Not a Statistic: the Legacy and Wisdom of Baseball's Godfather Scout Bill Lajoie Bill Lajoie, Anup Sinha, 2010-01-21 Bill Lajoie just had it When it came to drafting ballplayers and building a World Series club few in baseball history can match his extraordinary success The lessons of Lajoie's illustrious career and the brilliance of his philosophy are put to print in Character is Not a Statistic After a playing career that fell achingly short of the major leagues Lajoie returned to Detroit to become a teacher in the mid 1960s But his unyielding passion for baseball and desire to atone for a broken dream pulled him back to the game as a scout From there he'd go on to build World Series Championships from scratch by finding players who possessed the very character he lacked as a young athlete Starting as an area scout for the Cincinnati Reds in 1965 Lajoie later moved up the ladder with the Detroit Tigers and was the architect and general manager of their 1984 World Series crowning Lajoie would then be instrumental as an assistant GM for two more franchises who dominated their decades with championships and titles the 1990s Atlanta Braves and the 2000s Boston Red Sox Perhaps no one alive has scouted more baseball over the last 50 years or has better stories to tell about finding the greats Though the modern era has seen the depersonalization of scouting via statistics and radar gun readings Lajoie was immensely successful through five decades by emphasizing what a player had inside him His belief in a player's humanity and character persists to this day This book is not only a biography but a collection of great baseball stories and a manual for the

next generation of fans and scouts alike Lajoie tackles such controversial issues as the Moneyball movement the importance of a strong manager scouting for makeup making trades preventing pitching injuries running a farm system and ranking both the best general managers and scouting directors of the modern era
