Rehabilitation Today S. Mattingly,2012-12-06 HIS book is based on a series of papers first published in Update during T 1974 and 1975 When they originally appeared they attracted attention from workers in many fields connected with rehabilitation and it was clear that their appeal stretched far beyond the usual readership of Update The papers present a unique collection of information on aspects of rehabilita tion and their publication as a single volume has been requested by many Since their

original publication the papers have been revised There have been many changes in the organisation of government and voluntary services including for example changes in the law relating to the mobility allowance These changes have been incorporated in the revision and the book now presents an up to date account of the various aspects of rehabilitation including the services provided by government and voluntary organisations relevant legislation the provision of aids and appliances and problems affecting particular disability groups If it is concerned principally with the physically disabled this is because they appear numerically to be the most important Shapewalking Marilyn L. Bach,Lorie Schleck,2003
