Hormone Reset Diet Alexander Phenix, 2019-10-17 You Are About To Learn How To Lose

Weight And Improve Your Energy By Resetting Your Hormones You've been using the wrong approach to lose weight and keep it off for years that's why you never succeed to sustainably lose weight Let me explain why and how Your body is a complete system with everything working in perfect harmony and balance You gaining and losing weight also works in perfect harmony and if anything is out of balance nothing you do is likely to be sustainable Weight loss is as a result of the interaction of many processes calories in and calories out is just one of the many factors Other things happen behind the scenes that determine whether you lose weight and keep it off And one of the most important ones is your hormones if your hormones are working against your weight loss efforts you can starve or count calories carbs all you want it won't be sustainable you will gain all the weight shortly after And that's where the process of resetting your hormones comes in Yes you could literally make your hormones to support your weight loss endeavors through resetting your hormones not by using some magic hormone reset button but by relying on one of the things that greatly contribute to the balance or imbalance of your hormones your diet So if you have tried all manner of popular types of dieting exercising and everything else you can think of but nothing seems to work for more than a few weeks or months You've come to the right place You see achieving a healthy weight and increasing vitality in your body doesn't have to be difficult In fact it's easier than you think According to an article published in Fox News resetting your hormones is the best way to lose weight and boost energy which in turn improves countless areas in your life including your sex life That simply means that by simply resetting your hormones you could achieve your desired weight and improve your energy levels without trying too hard I know you may be wondering Can I reset my hormones naturally Is there a one fits all way of resetting all the hormones Which hormones should be targeted How do you isolate them How long does it take to start seeing results If you have these and other related questions this book is all you need So keep reading to uncover the details of how to reset your hormones the right way including how you can use dieting and physical exercising to do it Here's just a tiny fraction of what you'll discover The basics of the hormonal reset diet including what it is how it works why it works and more 21 day reset preparation The ins and outs of the 7 hormones that have a direct and indirect link to weight loss including estrogen insulin Leptin Cortisol Thyroid hormones Growth hormone Testosterone What can you do after the reset The role of physical exercise Meal planning for hormone reset And much more Take a second to imagine how you'd feel once you finally achieve the weight you've always targeted and how your family and friends would react when they see the healthier looking animated person you become How would life be when you're finally filled with an amount of energy and vitality how much more would you achieve If you truly have a burning desire to improve your health size and vitality as soon as possible Click Buy Now With 1 Click or Buy Now to get started **The Dash Diet** Alexander Phenix, 2021-01-08 You Are 1 Click Away From Discovering How To Leverage The Power Of The DASH Diet To Reverse And Tame Hypertension Naturally If you have for a long time wished to manage your blood pressure so you can possibly get your dose reduced or have your doctor take you off drugs but nothing you've done seems to be working keep

reading Are you sick and tired of always having to think about your blood pressure and the prescription drugs that you have to take especially when making any decisions like traveling because you know you MUST pack them and carry them everywhere you go even if you are going for an overnight stay Have you tried all manner of solutions you can think of including reducing stress limiting alcohol intake eating healthy working out and more but nothing seems to bring the kind of results you hope for And do you want to finally say goodbye to the worry that you might get a cardiac arrest or stroke or even develop other complications that come with elevated levels of blood pressure without the constant reliance on prescription drugs and discover something that actually works If your answer is yes then you are in the right place You see having your blood pressure come down to normal and reducing the risk of suffering from hypertension complications doesn't have to be difficult even if you feel you've literally exhausted your options or feel you will take those high doses for the rest of your life In fact it is easier than you think Studies funded by the National Heart Lung and Blood Institute demonstrated clearly why consuming a diverse balanced diet like DASH is more successful than eating a traditional American diet A trial of this diet has been performed by the National Heart Lung and Blood Institute with impressive results given that the DASH diet decreased blood pressure with a diet low in saturated fat low cholesterol high in total fat and high in fruits and vegetables products free of fat or milk whole grain fish and poultry Which means that it is actually possible to take better control of your blood pressure and benefit from that immensely Perhaps you are wondering What exactly is this DASH diet and how does it work How does it actually bring about the results What are the dos and don'ts you need to follow Does it work for everyone Does the diet have any other benefits besides hypertension If you have these and other related questions this book is for you so keep reading In this book you will discover The basics of the DASH diet including what it is how it works and how it came about Who the diet is meant for The link between hypertension and weight including how the DASH diet helps with hypertension How you stand to benefit from the DASH diet besides weight loss and lowering blood pressure What types of foods are allowed in the DASH diet Delicious DASH diet recipes that will get you to see results FAST Answers to frequently asked questions about the DASH diet And much more Take a second to imagine a time not so far away from today when you have better control of your hypertension take fewer or no medication and have a lesser risk of suffering from a cardiac arrest or stroke How will you be feeling seeing the doctor review your prescription downwards and giving you good feedback regarding your progress all thanks to the DASH diet If you can't wait for that Scroll up and click Buy Now With 1 Click or Buy Now to get started
