Would You Do That to Your Mother? Jeanne Bliss, 2018-05-08. Customer experience pioneer Jeanne Bliss shows why Make Mom Proud companies outperform their competition. Her 5-step guide to customer experience and culture transformation makes this achievement possible. Bliss urges companies to make business personal to earn ardent fans and admirers by focusing on one deceptively simple question: Would you do that to your mother? Make Mom Proud companies give customers the treatment they desire and employees the ability to deliver it. They turn gotcha moments into we've got your back moments by rethinking business practices and they enable employees to be part of the solution to fix customer frustrations. Bliss scoured the marketplace seeking companies who excel at living their core values grounded in what we all learned as kids. She offers a five-step plan for evaluating your current behaviors and implementing actions at every level of the organization.

Step 1: Be the Person I Raised You to Be. Understand how you are hiring, developing, and trusting employees to bring the best version of themselves to work. Vail Resorts, for example, the world's largest ski resort operator, banned the three words "Our policy is from their vocabulary," freeing employees to take spirited actions to deliver the experience of a lifetime.

Step 2: Don't Make Me Feed You Soap. Learn the eight key frustrations that bind us as customers: waiting, fear, anxiety, the black hole of no communication, etc., and how to apply actions from companies who are delivering a seamless, frictionless, and easy experience.

Step 3: Put Others Before Yourself. Determine if your focus is on helping customers achieve their goals and evaluate how that is fueling your growth. Canada's Mayfair Diagnostics, for example, spent over a year studying the emotions of patients entering an imaging clinic so they could redesign their welcome to deliver warmth and caring over procedure and process. The newly designed clinic achieved profitability in record time.

Step 4: Take the High Road. Learn how companies who do the right thing rise above the competition. Virgin Hotels, for example, named its 1 U.S. hotel by Condé Nast Reader's Choice Awards, walked away from price gouging at the mini bar so you'll never pay more for that Snickers bar than what you'd pay at the corner market.

Step 5: Stop the Shenanigans. Evaluate your current company behaviors and identify the key actions that you can begin immediately. With 32 case studies and examples from more than 85 companies, this is a practical and easy-to-follow guide for your experience and culture transformation. Filled with comics to snapshot our experiences as customers, a mom lens to reflect continuously on your performance, and a Make Mom Proudometer quiz, the book makes Bliss's approach accessible and approachable. Join the movement to Make Mom Proud by applying this book across your organization. Whether you're

contemplating your company's returns policy its social media presence or its big picture strategy this approach will help your company anticipate both employee and customer needs extend patience and show respect at all times Rediscovering the Secrets of the Holy of Holies Dr. Cyril Jide Okadigwe, 2022-11-03 As a believer in Jesus Christ do you fully understand what it means to live a victorious Christian life daily What is your daily mindset and your daily goals when you battle with the enemy to live a victorious Christian life daily Do you even know the nature of the battle and the main battle objective when you contend with the enemy to live a victorious Christian life daily Do you know about the ministerial disorder within the body of Christ today called fat fed soul storage warehouse syndrome that is destroying global mission efforts within the body of Christ Can you ascertain whether or not your local Church Congregation have this disorder Are you aware that good course does not necessarily equate to the course of Jesus Christ and that some good courses can be satanic courses in the disguise Do you know how to differentiate the so called good courses from the courses of Jesus Christ and how to tell when the so called good courses are satanic courses in the disguise Do you know the negative implications of the read your bible Read your bible admonition calls that we hear every day within the Christian communities and how those admonition calls can potentially retard effective Christian growth and testimonies among Christians Using sound biblical doctrines Evangelist Okadigwe drew from his gifted original writing skills and provided biblical based answers to the above posed questions He also used this book as a platform and addressed some of the key issues he believed that confront the body of Christ today
