O'Sullivan, 2014-10-25 The Complete Guide to iPhone 12 Mini Ian Osborne, 2020-11-01 Combining style, power, and some great new features, the iPhone 12 mini takes Apple's smartphone to a whole new level. Its operating system, iOS 14, also brings exciting new features and enhancements. Together, they make for a world-beating mobile experience. Over the 180 pages in this guidebook, we get to the heart of the awesome iPhone 12 mini and the iOS 14 operating system, bringing you guides, tips, and tutorials that help you get the most from your new Apple smartphone. You've Been Played Adrian Hon, 2022-09-15 How games are being harnessed as instruments of exploitation and what we can do about it. Warehouse workers pack boxes while a virtual dragon races across their screen. If they beat their colleagues, they get an award. If not, they can be fired. Uber presents exhausted drivers with challenges to keep them driving. China scores its citizens so they behave well, and games with in-app purchases use achievements to empty your wallet. Points, badges, and leaderboards are creeping into every aspect of modern life. In You've Been Played, game designer Adrian Hon delivers a blistering takedown of how corporations, schools, and governments use games and gamification as tools for profit and coercion. These are games that we often have no choice but to play, where losing has heavy penalties. You've Been Played is a scathing indictment of a tech-driven world that wants to convince us that misery is fun and a call to arms for anyone who hopes to preserve their dignity and autonomy.
