Halloween Gr. 4-6 , *Welcome to Wally World* Stephen Newman,C. Newman,2008-04 *Welcome to Wally World* is a journal of one man s two years in retail management at Wal mart Stores Inc The journal chronicles his personal experiences working with the mega retailer and exposes the good bad and sometimes the ugly side of the retail business giant in a humorous and whimsical way There is no book like this that gives you a detailed look into to the day to day operations at such a grassroots level If you loved the outrageous and situational comedy of Laura Weisberger s *The Devil Wears Prada* with the heart felt realism of Barbara Ehrenreich s *Nickel and Dimed* you ll love *Welcome to Wally World* Written in a journal format each day tells a different story with familiar themes While each day ends another adventure always seems to be just around the corner Each story stands on its own as a mixture of humor anecdotes and some seriousness Readers will laugh at the hilarious and sometimes insane behind the scenes antics If shoppers only knew the story behind the scenes and now they do *Welcome to Wally World* represents a real grassroots effort to capture experiences emotions and goings on inside the world s largest retailer A number of books may have been written from the corporate perspective but this work focuses on the people behind the power those hardworking clerks and managers who actually move the products and stock the shelves to achieve those sales and gross profits Having spent nearly two years involved with the detailed experiences depicted in the book I feel uniquely qualified to bring these stories and anecdotes to the public eye Mixed with humor seriousness and irony *Welcome to Wally World* is a personal journey of my professional life with the company The take away from my experiences with Wal mart led me to the writing style you ll find in the book No personal names are used What is important is that these events portrayed would happen regardless of the individuals involved The implication is that people are simply cogs in the corporate machine Each day via diary format illustrates my belief that the journey was like a series of crazy wild and unpredictable movies or sub journeys all rolled into one brief career Each day at work stood on its own *Rare Bookshop Murder (A Rolling Dough Pizza Truck Mystery Book 5)* R.M.
