Pro Football Schedules Ivan Urena, 2013-12-25 This book explains how the NFL determines each team's opponents and how the league's scheduling format has evolved throughout the years. It includes a history on the evolution of the pro football schedule, explores all of the scheduling formulas used in the National Football League, American Football League, and the All America Football Conference, and presents home and away opponent charts from 1933 through the 2017 season. Sports Programming and Cable Television United States. Congress. Senate. Committee on the Judiciary. Subcommittee on Antitrust, Monopolies, and Business Rights, 1991. *Illinois Basketball Guide*, 2009. **Sports Ticket** Sportsfile, 2004-09 Sports Ticket is the ultimate guide to the premier British and selected international sporting events for 2005 and plenty more besides, and venue. This book will make a visit to the action hassle-free and more fun, showpieces in sport as well as enhancing the experience of regular events. Comprehensive guides include pointers, parking tips, and travel information. If you want to make a holiday out of your sporting trip, the book provides tips on other local attractions, city information, and recommendations for accommodation, wining and dining. World sporting action is also covered. 2005 features top European drama with home nations football teams in World Cup qualifying matches and far-flung adventures with the British Lions in New Zealand. In an in-depth appendix, it covers all the nagging pieces of information so often forgotten. **Introduction to Sports Journalism** Matthew H. Zimmerman, Lauren M. Burch, Brian Moritz, 2024-09-12 Sports journalism has seen massive upheaval in recent years. Today's 24/7 sports networks, streaming services, and social media platforms bring sports coverage and live events to consumers anytime, anywhere. But despite the increase in the number of media outlets and the speed by which news is delivered and consumed, the basic tenets of sports journalism remain, albeit with a few new wrinkles. Embracing this dynamic, *Introduction to Sports Journalism* provides students with the practical knowledge and tools to succeed in the evolving field of sports journalism. While other texts repeat the sports journalism is changing refrain, *Introduction to Sports Journalism* sheds light on how and why it's changing. Through these discussions, students are challenged to formulate their own perspectives on contemporary sports journalism, journalistic expression, and how these concepts fit in today's evolving media and societal landscapes. The text begins with an overview and history of sports journalism and traditional media. Also discussed is the impact of today's nontraditional journalists: the bloggers and videographers outside traditional media channels. The core of the text then focuses on developing practical skills required to work in the sports journalism field, including knowing how and what to write to craft compelling stories. Much attention is paid to analytics: what they are, their variations across sports, and how to interpret and use them effectively. Also featured are digital media, blogs, podcasts, and social media platforms, and the technological tools used to create content. Sports journalism and public relations often overlap, and the text explains the nuances of the respective functions. Public relations tools such as media guides and game notes are presented as well, as a section on crisis communication. The pressure to break the story can tempt even the best journalist to plagiarize or fabricate.

stories or skip fact checks The text covers journalism ethics and provides best practices for avoiding traps Racial and gender bias and the importance of providing equitable coverage are also discussed Additionally legal issues such as copyright privacy discrimination defamation reporter s privilege and first amendment rights are addressed The book concludes with a discussion of career paths and challenges facing the industry The landscape is changing and in response the authors provide career advice for students entering the field In the chapters you ll find Industry Profile sidebars featuring interviews and conversations with practicing sports journalists Also included are Time Out activities throughout the chapters and end of chapter discussion questions applied activities and practical exercises all designed to engage students more fully with the content and apply learning to real life situations Introduction to Sports Journalism provides a comprehensive overview of contemporary sports journalism spanning all media platforms and sport organizations to prepare students for a dynamic career in sports journalism
