The Awesome Game Dave Hill, 2023-10-24 One man's search to answer the ultimate question in sports Why is hockey so incredibly awesome Dave Hill author actor rock musician and stand up comedian is a truly outstanding American For one thing he's part Canadian an advantage he explored in his previous book *Parking the Moose* For another and maybe this has something to do with his Canadian heritage he's a totally obsessive fan of hockey That makes him a minority within a minority apparently only five percent of the US population admit to liking hockey more than any other sport In his latest opus Dave who's from Cleveland which hasn't had an NHL team since 1978 tackles this hockey conundrum with full force drilling down into what makes hockey so damn important in so many parts of the world despite the average American not recognizing the sport's preeminent greatness His search for the very soul of hockey has taken him across the globe from Poland to LA to Kenya and brought him into contact with many of the sport's great and good Humorous but heartfelt Bill Bryson like but hipper this is arguably the greatest book ever written about hockey and definitely the one to be asking for at Christmas *Call Me Indian* Fred Sasakamoose, 2021-05-18 NATIONAL BESTSELLER Fred Sasakamoose played in the NHL before First Nations people had the right to vote in Canada This page turner will have you cheering for Fast Freddy as he faces off against huge challenges both on and off the ice a great gift to every proud hockey fan Canadian and Indigenous person Wab Kinew Leader of the Manitoba NDP and author of *The Reason You Walk* Trailblazer Residential school Survivor First Treaty Indigenous player in the NHL All of these descriptions are true but none of them tell the whole story Fred Sasakamoose torn from his home at the age of seven endured the horrors of residential school for a decade before becoming one of 120 players in the most elite hockey league in the world He has been heralded as the first Indigenous player with Treaty status in the NHL making his official debut as a 1954 Chicago Black Hawks player on Hockey Night in Canada and teaching Foster Hewitt how to pronounce his name Sasakamoose played against such legends as Gordie Howe Jean Beliveau

and Maurice Richard After twelve games he returned home When people tell Sasakamoose s story this is usually where they end it They say he left the NHL to return to the family and culture that the Canadian government had ripped away from him That returning to his family and home was more important to him than an NHL career But there was much more to his decision than that Understanding Sasakamoose s choice means acknowledging the dislocation and treatment of generations of Indigenous peoples It means considering how a man who spent his childhood as a ward of the government would hear those supposedly golden words You are Black Hawks property Sasakamoose s story was far from over once his NHL days concluded He continued to play for another decade in leagues around Western Canada He became a band councillor served as Chief and established athletic programs for kids He paved a way for youth to find solace and meaning in sports for generations to come Yet threaded through these impressive accomplishments were periods of heartbreak and unimaginable tragedy as well moments of passion and great joy This isn t just a hockey story Sasakamoose s groundbreaking memoir sheds piercing light on Canadian history and Indigenous politics and follows this extraordinary man s journey to reclaim pride in an identity and a heritage that had previously been used against him
