The Dark Social Tojia Cinque, Alexia Maddox, Robert W. Gehl, 2023-11-07 This book explores how people interact online through anonymous communication in encrypted hidden or otherwise obscured online spaces Beyond the Dark Web itself this book examines how the concept of dark social broadens the possibilities for examining notions of darkness and sociality in the age of digitality and datafied life The authors take into account technical moral ethical and pragmatic responses to ourselves and communities seeking to belong in of the dark Scholarship on the Darknet and Dark Social Spaces tends to focus on the uses of encryption and other privacy enhancing technologies to engender resistance acts Such understandings of the dark social are naturally in tension with social and political theories which argue that for politics and acts to matter they must appear in the public light They are also in tension with popular narratives of the dark recesses of the web which are disparaged by structural powers who seek to keep their subjects knowable and locatable on the clear web The binary of dark versus light is challenged in this book The authors provocation is that practices of dark resistance motility and power are enacted by emerging data cultures This book draws together scholarship activism and creativity to push past conceptual binary positions and create new approaches to darknet and dark social studies *The Dark Social Online Practices of Resistance Motility and Power* will be a key resource for academics researchers and advanced students of media studies cultural studies communication studies research methods and sociology This book was originally published as a special issue of *Continuum Journal of Media Cultural Studies*

Who Can You Trust? Rachel Botsman, 2017-10-05 Nominated for the Business Book Awards Embracing Change category If you can t trust those in charge who can you trust From government to business banks to media trust in institutions is at an all time low Widespread corruption elitism and economic disparity have led to a worldwide upsurge of anti establishment movements But this isn t the age of distrust far from it In this revolutionary book world renowned trust expert Rachel Botsman reveals that we are at the tipping point of one of the biggest social transformations in human history A new world order is emerging we have lost faith in brands leaders and systems but millions of people every day rent their home to total strangers on AirBnB exchange cryptocurrency online or get in the car of an unknown Uber driver This is the age of distributed trust a paradigm shift driven by new technologies that are rewriting the rules of an all too human relationship If we are to benefit from this radical transformation it is vital that we understand the new mechanics of how trust is built managed lost and repaired In *Who Can You Trust* Botsman provides a detailed map of this uncharted landscape and explores what s next for humanity

Antisocial Andrew Marantz, 2019-10-08 Trenchant and intelligent The New York Times As seen heard on NPR New Yorker Radio Hour The New York Book Review Podcast PBS Newshour CNBC and more A New York Times Book Review Editors Choice A New York Times Notable Book of 2019 From a rising star at The New Yorker a deeply immersive chronicle of how the optimistic entrepreneurs of Silicon Valley set out to create a free and democratic internet and how the cynical propagandists of the alt right exploited that freedom to propel the extreme into the mainstream For several years Andrew Marantz a New Yorker staff writer has been embedded in two worlds The first is the world of social media entrepreneurs who acting out of na vete and reckless ambition upended all traditional means of receiving and transmitting information The second is the world of the people he calls the gate crashers the conspiracists white supremacists and nihilist trolls who have become experts at using social media to advance their corrosive agenda *Antisocial* ranges broadly from the first mass printed books to the trending hashtags of the present from secret gatherings of neo Fascists to the White House press briefing room and traces how the unthinkable becomes thinkable and then how it becomes reality Combining the keen narrative detail of Bill Buford s *Among the Thugs* and the sweep of George Packer s *The Unwinding* *Antisocial* reveals how the boundaries between technology media and politics have been erased

resulting in a deeply broken informational landscape the landscape in which we all now live Marantz shows how alienated young people are led down the rabbit hole of online radicalization and how fringe ideas spread from anonymous corners of social media to cable TV to the President's Twitter feed Marantz also sits with the creators of social media as they start to reckon with the forces they've unleashed Will they be able to solve the communication crisis they helped bring about or are their interventions too little too late

Building Brand Communities Carrie Melissa Jones, Charles Vogl, 2020-06-09 An authentic brand community is more than just people buying your product or working alongside one another This book articulates the critical roles of mutual concern common values and shared experiences in creating fiercely loyal customer and collaborator relationships Smart organizations know that creating communities is the key to unlocking unprecedented outcomes But too many mistakenly rely on superficial transactional relationships as a foundation for community when really people want something deeper Carrie Melissa Jones and Charles Vogl argue that in an authentic and enriching community members have mutual concern for one another share personal values and join together in meaningful shared experiences whether online or off On the deepest level brands must help members grow into who they want to be Jones and Vogl present practices used by global brands like Yelp Etsy Twitch Harley Davidson Salesforce Airbnb Sephora and others to connect in a meaningful way with the people critical for their success They articulate how authentic communities can serve organizational goals in seven different areas innovation talent recruitment customer retention marketing customer service building transformational movements and creating community forums They also reveal principles to grow a new brand community to critical mass This is the first comprehensive guide to a crucial differentiator that gives organizations access to untapped enthusiasm and engagement

The Perilous Public Square David E. Pozen, 2020-06-16 Americans of all political persuasions fear that free speech is under attack This may seem strange at a time when legal protections for free expression remain strong and overt government censorship minimal Yet a range of political economic social and technological developments have raised profound challenges for how we manage speech New threats to political discourse are mounting from the rise of authoritarian populism and national security secrecy to the decline of print journalism and public trust in experts to the fake news trolling and increasingly subtle modes of surveillance made possible by digital technologies The Perilous Public Square brings together leading thinkers to identify and investigate today's multifaceted threats to free expression They go beyond the campus and the courthouse to pinpoint key structural changes in the means of mass communication and forms of global capitalism Beginning with Tim Wu's inquiry into whether the First Amendment is obsolete Matthew Connelly Jack Goldsmith Kate Klonick Frederick Schauer Olivier Sylvain and Heather Whitney explore ways to address these dangers and preserve the essential features of a healthy democracy Their conversations with other leading thinkers including Danielle Keats Citron Jelani Cobb Frank Pasquale Geoffrey R Stone Rebecca Tushnet and Kirsten Weld cross the disciplinary boundaries of First Amendment law internet law media policy journalism legal history and legal
