Drama Queen Susan Conley,2009-03-05 Jane Boyers sleek gorgeous and highly successful TV executive barely has time to eat and sleep let alone keep up with old friends Especially ones like Miranda who has rejected glamorous New York in favour of settling with the love of her life in rural Ireland But when Jane s career comes crashing down her panicked response is to jump straight on a plane to Dublin and throw herself on Miranda s mercy Life there is definitely not what Jane is used to and the culture shock goes both ways When she gets herself mixed up with an independent theatre company her no nonsense American approach gets right up the natives noses particularly the rather attractive nose of Shay Gallagher the enthusiastic if hopelessly disorganised director And sparks really fly when Shay and Jane are forced to take the lead roles in the company s first production *One Night Stand* Julie Cohen,2008-12-11 Eleanor Connor has written lots of steamy novels but sadly her own life is more mundane In fact the nearest she s come to passion for ages is having to listen through the thin walls of her house as friend and neighbour Hugh seduces an endless stream of women But then Eleanor has a one night fling of her own waking up alone repentant and as she later realises pregnant Desperate to find her missing lover if only to tell him he s going to be a father she enlists Hugh to help her search But should she be looking closer to home to find out what it is she really needs *You Kill Me* Alison Gaylin,2009-05-14 Samantha Leiffer is back and in trouble again in the spine tingling follow up to the brilliant *Hide Your Eyes* After Samantha Leiffer witnessed a murder and was nearly killed herself for doing so life has never quite been the same Everyone else seems just to think it s taking her a while to adjust back to everyday reality but increasingly Sam s convinced there s still something strange in the air When a mysterious stranger hands her a note on the street warning her of danger ahead she knows the freakiness has gone way too far And when people around her suddenly start dying she knows her life is spiralling into darkness once more *The Girlfriend Curse* Valerie Frankel,2009-05-03 Within six months of them breaking up with her Peg Silver s ex lovers always meet and marry the women of their dreams A major lifestyle change is clearly called for which is why she says goodbye to Manhattan and hello to a gorgeous farmhouse in tiny backwater Vermont Finally she hopes she s bound to meet the ultimate all organic country man of her dreams Instead Peg finds herself at Inward Bound a proactive adult education retreat for the hapless and hopelessly lovelorn What has she done However things could be finally starting to look up in the shape of Linus Inward Bound s sexy scruffy smart and still single founder Is Peg about to find her cure *Everything Nice* Ellen Shanman,2009-03-05 Super slick super independent Michaela Mike Edwards is a lady going places Or so she thinks Once unexpectedly fired her career as a young advertising hot shot is over just like that Before long she s doing the unimaginable moving back in with her widowed father to help make those pesky ends meet it s clear she needs to rethink her life Maybe she should start with trying to unravel those complicated feelings she s been having about her best guy pal Aussie journalist Gunther *Reality Check* A.M.
