get ahead in business today Competition today is fiercer than ever It seems that every job candidate is flashing a world class resume and every business competitor is the absolute best at what they do Don't be fooled People exaggerate And don't be discouraged By revealing stories of failures setbacks and personal flaws without shame or fear you exhibit greater self confidence than your competition You cultivate connections with serious smart people and you build loyalty that lasts Ditch the Act shows how to present your humanness imperfect and flawed but honest resilient and willing to learn in strategic ways to achieve clear defined goals It provides an actionable program for building an authentic long lasting personal brand explaining why exposure is important and how it cultivates more durable connections than any polished persona can By creating a personal brand that's honest and authentic and that reveals personal struggles you'll build stronger longer lasting relationships and achieve greater success Careers and businesses based on authenticity and truth aren't just more rewarding than those founded on hyperbole and the hard sell Because they're founded on durable robust relationships they're rock solid and better withstand business uncertainty and tough times Ditch the act be real and jump ahead of the competition before they even know you are there

The Digitalization of the Distribution Process in the Music Industry Tobias Riegel, 2018-11-13 Seminar paper from the year 2018 in the subject Business economics Information Management grade 1.7 University of Münster Information Systems and Information Management language English abstract Digitalization transforms organizations professions politics education and even the cultural sector for instance the music industry where this study belongs to Digital disruption collaboration and change have affected the music distribution process But how exactly And did it influence the balance of power among the actors involved The study uses Actor Network Theory to represent the distribution networks of two artists before and after the start of the digital age Michael Jackson as the most successful artist of the 80s and Macklemore as the first artist being No. 1 without label backing The tracing of their socio technical networks shows that labels controlled the distribution channels in the past but digitalization has shifted some power from the label to the artist It enabled him to handle the distribution process largely on his own Due to streaming services distributing music is way more efficient nowadays and artists can reach a huge community of streaming users Social media enables collaboration and new partnerships in the music industry which are not restricted to an artist's familiar environment Additionally it is a platform for viral marketing enabling a closer relationship between artists and their fans Overall digitalization has broken up the enduring domination of the major labels and empowered artists to become successful without the backing of them

Connectable: How Leaders Can Move Teams From Isolated to All In Ryan Jenkins, Steven Van Cohen, 2022-03-01 WALL STREET JOURNAL BESTSELLER FINANCIAL TIMES BOOK OF THE MONTH Connect your workforce improve engagement and drive productivity to undreamed of levels Feelings of loneliness among employees are on the rise with 72% of global workers suffering from it This sense of isolation is contributing to a real and growing mental health problem that affects both individuals and organizations In Connectable you'll learn how tackling the issue of worker loneliness head on can

transform an isolated workforce into one that's happier, more engaged and more productive. With more than a decade of experience spent helping companies lessen worker loneliness, Ryan Jenkins and Steven Van Cohen distill their methodology showing you what's causing today's loneliness, the role inclusion plays in solving it, and how you can decrease loneliness and increase belonging, engagement, and performance with employees at every level, including yourself. You'll learn how to identify lonely or burned-out employees, build psychological safety within a team, create environments of belonging and inclusion, cultivate meaningful connections across team members in person or remote, build committed, driven, and high-performing organizations using the authors' proprietary 4-step Less Loneliness Framework™. Jenkins and Van Cohen provide the perfect balance of science, statistics, stories, and strategies to help you move everyone on your team from isolated to all in. Discover what ATMs, cocaine, Red Sox fans, and time travel have to do with moving teams from disconnected to connected. Connectable delivers the information, insights, and actionable strategies needed to awaken a renewed sense of connection throughout your organization.

You're invited to a party where the food and entertainment are both in Technicolor. It's dinner and a movie in this vibrant, beautifully photographed tour of Indian food and films. Indian cuisine and Indian cinema, known as Bollywood, share much in common: bold colors and flavors with plenty of drama. But to the uninitiated, they can seem dizzying. Let Sri Rao be your guide. As one of the only Americans working in Bollywood, Sri is an expert on Indian musical films, and as an avid cook, he's taken his mom's authentic home-cooked recipes and adapted them for the modern American kitchen. The popularity of Indian food has grown immensely in recent years, and for good reason: It's perfectly suited for people who love bold flavors, as well as those looking for vegan, vegetarian, and gluten-free meals that don't skimp on taste. But as Sri points out in *Bollywood Kitchen*, you've probably never tasted real Indian food. Home-cooked Indian-American food is surprisingly simple to make using ingredients readily available in your local grocery store. In this book, you'll find dinner menus, brunch menus, menus for kids, and menus for cocktail parties. Along with each healthy and easy-to-prepare meal, Sri has paired one of his favorite Bollywood movies. Every one of these films is a musical packed with dazzling song and dance numbers that are the hallmark of Bollywood, beloved by millions of fans all over the world. Sri will introduce each film to you, explaining why you'll love it and letting you in on some juicy morsels from behind the scenes. *Bollywood Kitchen* is as much a beautiful coffee table book as it is a cookbook filled with gorgeous film photographs and colorful tablescapes. It's a unique treasure for Indian food lovers as well as fans of world cinema.
