Streaming Top Shows In The Us:

Watching TV Harry Castleman, Walter J. Podrazik, 2024-12-16 Castleman and Podrazik present a season by season narrative that encompasses the eras of American television from the beginning in broadcast through cable and now streaming They deftly navigate the dizzying array of contemporary choices so that no matter where you start on the media timeline Watching TV provides the context and background to this multi billion dollar enterprise Drawing on decades of research the authors weave together personalities popular shows corporate strategies historical events and changing technologies enhancing the main commentary with additional elements that include fall prime time schedule grids for every season date box timelines highlighted key text and selected photos Full of facts firsts insights and exploits from now back to the earliest days Watching TV is the standard chronology of American television and reading it is akin to channel surfing through history The fourth edition updates the story into the 2020s and looks ahead to the next waves of change This new edition is the first to also be available in a digital format

World Entertainment Media Paolo Sigismondi, 2019-07-25 This new book offers an insightful guide into the complex tapestry of global entertainment media markets It features analyses and case studies from leading international media scholars who explore the causes and effects of globalization upon this ever evolving industry There are still opposing and restraining forces to globalization processes taking place in media and the global mediascape comprises international regional and local markets and global and local players which in recent years have evolved at an uneven pace By analyzing similarities and differences in a landscape where driving forces of globalization meet locally situated audiences and institutions this volume unveils a complex contested space comprising global and local players whose success is determined by both their national and international dimensions It guides its readers to the geographical and intellectual exploration of the international media landscape analyzing the global and local media players and their modus operandi Editor Paolo Sigismondi's insightful engaging collection presents a compelling and novel approach to the analysis of global entertainment media World Entertainment Media Global Regional and Local Perspectives is an ideal starting point for students and practitioners alike looking to build a solid understanding of the global mediascape and a great resource for instructors and scholars in global media entertainment

Media Libraries in an Age of Unending Consumption Mike Van Esler, 2023-10-24 As the home video market upended traditional film industry models media libraries emerged as important sources of ancillary revenue The inflection point for media library exploitation came in 2007 when Netflix launched its streaming service relying on extensive licensing of film and television libraries to grow its subscriber base In this book Mike Van Esler examines how media libraries and business models have evolved since the home video era with particular emphasis placed on the streaming age of the past fifteen years Van Esler argues that media libraries have grown beyond their usages from the pre home video era to become central to today's corporate media strategy By studying the ways in which media library exploitation has scaled up since the turn of the new millennium the author identifies insights into larger

media industry trends Ultimately this book explores the intersection of corporate media independent distributors private equity tech companies and audiences Scholars of media studies business and sociology will find this book of particular interest Monthly Catalog of United States Government Publications ,1991 Monthly Catalogue, United States Public Documents ,1990-07 **Now Media** Norman J. Medoff,Barbara K. Kaye,2025-05-06 Now in its fifth edition this book is one of the leading texts on the evolution of electronic mass communication in the last century giving students a clear understanding of how the media of yesterday shaped the media world of today Now Media provides a comprehensive view of the development of media and the subsequent advancements into now digital media Each chapter is organized chronologically starting with print radio and television then moving to the now media of today and finally exploring possibilities for the media of the future Topics include the rise of social media uses of personal communication devices the film industry virtual reality digital advertising and the innovations that laid the groundwork for now media This fully updated fifth edition features new chapters on video games and the business of and careers in now media Discussions on rapidly evolving now media stakeholders such as influencers and YouTubers are included and attention is paid to AI throughout the book This book remains a key text and trusted resource for students and scholars of digital mass communication and communication history alike *Transnational Korean Television* Hyejung Ju,2019-11-29 *Transnational Korean Television Cultural Storytelling and Digital Audience* provides previously absent analyses of Korean TV dramas transnational influences peculiar production features distribution and consumption to enrich the contextual understanding of Korean TV s transcultural mobility Even as academic discussions about the Korean Wave have heated up Korean television studies from transnational viewpoints often lack in depth analysis and overlook the recently extended flow of Korean television beyond Asia This book illustrates the ecology of Korean television along with the Korean Wave for the past two decades in order to showcase Korean TV dramas international mobility and its constant expansion with the different Western television and their audiences Korean TV dramas mobility in crossing borders has been seen in both transnational and transcultural flows and the book opens up the potential to observe the constant flow of Korean television content in new places peoples manners and platforms around the world Scholars of media studies communication cultural studies and Asian studies will find this book especially useful Television's Streaming Wars Arienne Ferchaud,Jennifer M. Proffitt,2023-11-03 This volume addresses contemporary debates and trends regarding the production and distribution content and audience engagement with the television streaming industry The book interrogates the economics and structure of the industry questions the types and diversity of content perpetuated on streaming services and addresses how audiences engage with content from US and global perspectives and within various research paradigms Chapters address the television streaming wars including the debates and trends in terms of its production and competition diversity and growth of programming and audience consumption focusing on multiple platforms content and users This timely and creative volume will interest students and

scholars working in television studies media industry studies popular culture studies audience studies media psychology critical cultural studies and media economics

Beyond the Screen Frank A. Ayccock, 2025-11-26 Written in an accessible style this book explores the complex future of television across its different industries providing professional producers with key insights and pathways to adapt and prepare By exploring traditional media industries and how they have come to make up today's streaming and broadcasting media world the text provides a detailed discussion of the future of systems programming and television viewing This includes a wide range of topics such as internet protocol television IPTV set top boxes STBs ATSC 3.0 virtual reality VR holographic television and artificial intelligence AI as well as other cutting edge technologies Additionally this book examines the future of content monetization by exploring the new and sometime controversial ways of advertising product placement and search and promotion that will be required to be financially successful in this future television environment *Beyond the Screen* is an indispensable addition to the library of every television professional academic student and television viewer who wants to know where this fascinating world of television is heading and what it will take to be successful within it

Sports Media Rights in the Age of Streaming and Platformisation Tom Evens, Paul Smith, 2024-12-18 Against a backdrop of increased online distribution of media this book provides an in depth analysis of how the platformisation of television is both shaping and being shaped by the changing sports media market Beginning by looking at the business models and strategies of the major stakeholders involved in the sports broadcasting value chain the authors go on to focus on the challenges and opportunities posed by the growth of OTT delivery for the regulation of sports broadcasting in several key areas including copyright law and piracy competition issues linked to the buying selling and distribution of premium sports content and legislation designed to safeguard coverage of certain national and international sporting events for free to air television Key areas of continuity such as the persistence of national regional markets the importance attached to premium sports rights by rival delivery platforms as a source of market power and the need to update key areas of policy and regulation in order to address challenges posed by the use of OTT delivery are also discussed This book makes use of a range of international and regional examples and case studies not least the Olympic Games and the FIFA World Cup and identifies different strategies employed in the buying selling and distribution of sports rights for all major parties in the sports media value chain including new entrant OTT players traditional pay TV operators public service broadcasters and a range of international sports organizations Providing a complete assessment of the relevance and future effectiveness of key areas of policy and regulation in sports media distribution this book is recommended reading for advanced students and researchers of Sports Media Sports Management and Media Industries
