Big Tech Tyrants Floyd Brown, Todd Cefaratti, 2019-09-03 As seen on Tucker Carlson They are driven without respect for the lives they are changing Boy Kings or Big Tech Tyrants are considered the most powerful individuals in the world They re the autocratic aristocrats who run the tech giants in Silicon Valley and if the labels are accurate they suggest these social platform operators have gained a non elected or should we say a self elected authoritarian power They wield it with more effectiveness and precision than any sitting government or military strategist Big Tech Tyrants boast riches beyond emperors of old but act like juveniles who don t want to grow up They are modern day robber

barons Big Tech Tyrants don't know the meaning of privacy when it comes to you. They try to make you believe they will give their products away for free as a service to society when really they are vacuuming your personal data. They use this data to discover your deepest secrets. Are you or your partner trying to get pregnant? Are you underwater financially? Are you having an extramarital affair? Do you have a tidy nest egg? Are you a Trump supporter? Are you a Bernie Sanders follower? Are you a Scientologist, Mormon, Christian, or Buddhist? Your personal data is extremely valuable to them and they use it and abuse it. These tyrants knowingly addict users to make more money. Not only that, they also consider themselves the most enlightened the world has ever seen, so they know what's best for you to see from the news and information you read to the political candidates they think you should vote for. They censor news and only let you see what they want you to see. This is an eye-opening must read for anyone living in the twenty-first century. *Cheap Bastard's® Guide to San Francisco* Lauren Markham, 2011-11-08. Live Large for Less.
