Goodreads Choice Google Drive This Month:

All the Dangerous Things Stacy Willingham, 2024-09-24 One year ago Isabelle Drake's life changed forever her toddler son Mason was taken out of his crib in the middle of the night while she and her husband were asleep in the next room With little evidence and few leads for the police to chase the case quickly went cold However Isabelle cannot rest until Mason is returned to her literally Except for the occasional catnap or small blackout where she loses track of time she hasn't slept in a year Isabelle's entire existence now revolves around finding him but she knows she can't go on this way forever In hopes of jarring loose a new witness or buried clue she agrees to be interviewed by a true crime podcaster but his interest in Isabelle's past makes her nervous His incessant questioning paired with her severe insomnia has brought up uncomfortable memories from her own childhood making Isabelle start to doubt her recollection of the night of Mason's disappearance as well as second guess who she can trust including herself But she is determined to figure out the truth no matter where it leads
