Scholarship Boy Larry I. Palmerr,2020-04-28 Palmer was fourteen years old in September 1958 when he made the unlikely journey alone by train to Phillips Exeter Academy in New Hampshire It is impossible to read this boy s story ninth child of ten and the sixth of seven sons without feeling the loneliness of that first passage away from home a black boy crossing into a bastion of white privilege and the scale of the transformation that awaited him Carrie Brown author of The Stargazer s Sister My friendship with Larry has been among the most enduring of my Exeter friendships but before I read his memoir of social and racial dislocation I never knew the story that unfolded in the home Larry left when he came to Exeter Larry s remarkable family story gives me a deeper appreciation of someone I met as a teenager and have known all my life As a teammate and a friend I always loved Larry Now I understand him more John Irving Larry Palmer s Scholarship Boy is a poignant exploration of family longing and cultural disorientation seen through the eyes of an African American teenager sent to live and study at a prestigious New England prep school in the 1950s This absorbing story reminds us that the questions of race and identity we wrestle with today are nothing new and progress when it comes at all often comes at a snail s pace Dinty W Moore author of Between Panic Desire Near the end of Larry Palmer s fine memoir Scholarship Boy his family tries to assemble for a family portrait The picture is difficult to compose the family members are moving hither and yon reassembling in different configurations struggling to honor the intricacies that govern the Palmer clan And they are a rich and complex family with Lear like grand personalities Scholarship Boy is also a book about a very brilliant young man who went to Phillips Exeter Harvard College and Yale Law School It is a tale of his loneliness his desire to honor his parents dictates his difficulty in living in two worlds and his ability thank goodness to find mentors institutions and friends to sustain him It is also a very

poignant narrative full of pathos and love about one family's participation in recent African American history including segregation school integration and dreams fulfilled and nullified Honest gracefully written and uncompromisingly vulnerable Larry Palmer's book is unceremoniously generous Palmer does not grandstand He is never simply this or that He is in the best sense simply himself A man trying to stand in a furious whirlwind Kenneth A McClane W E B DuBois Professor of Literature Emeritus Cornell University On the surface this is the story of a black boy's adventure of finding his way in the all white blazers ties and sports world of an all boys boarding school in the 1950s Its heart however is the family this boy comes from As the next to the youngest of ten it was the older brothers and sisters who gave this scholarship boy the chops to navigate the treacherous waters of an alien world with aplomb and make the best of his opportunities What an apt tribute that each of them gets to step into the limelight of this luminous coming of age memoir Annette Gendler author of *Jumping Over Shadows* and *How to Write Compelling Stories from Family History*

Reimagining Social Justice Scholarship

Tamara Shefer, Carmine Rustin, Floretta Boonzaier, 2025-09-25 Showcasing creative decolonial feminist and critical social justice scholarship located in a South African context this book works across modalities and disciplines and within art and activism to challenge hegemonic and oppressive forms of gender and sexuality In the wake of decolonial activism in higher education and civil society since 2015 and the larger struggle for equality and justice Shefer Rustin Boonzaier and their contributors draw primarily from the work of local research and pedagogical projects directed at alternative imaginaries of gender and sexual justice with global import Increasingly scholars are engaging in collaborative dialogical and creative work that foregrounds performance art music crafts literature as well as embodied affective and relational engagements in the making of knowledge This book shares some of these diverse counter hegemonic pedagogies and research approaches that bring an intersectional and decolonial feminist lens to contemporary efforts to decolonise higher education and larger civil society Producing lines of thought and sharing praxis that destabilises disrupts and opens up new possibilities for justice scholarship the book provides a space for going beyond critical reflexivity in research and practice related to gender and sexual inequalities It seeks to make a scholarly intervention founded on rethinking its own grounds through collaborations with knowledges often deployed by those outside the authoritative expert domains of academia aligning it with feminist and decolonial aims This book is a valuable resource for students and scholars of gender sexuality and intersectionality particularly those with a focus on the global South

Theoretical Scholarship and Applied Practice Sarah Pink, Vaïke Fors, Tom O'Dell, 2017-04-01 Academics across the globe are being urged by universities and research councils to do research that impacts the world beyond academia Yet to date there has been very little reflection amongst scholars and practitioners in these fields concerning the relationship between the theoretical and engaged practices that emerge through such forms of scholarship *Theoretical Scholarship and Applied Practice* investigates the ways in which theoretical research has been incorporated into recent applied practices across the social sciences and humanities This collection advances our

Yates, 2022-04-19

This book argues the central factors of 1 character flawed driven attitudes and behavior as well as 2 fear as being principle motivations to explaining Donald Trump's supporters and voters and inclusive of what has come to constitute the current climate of political turmoil with the election of Donald Trump as president of the United States The author Donald L Yates brings an informed academic and scholarly spotlight to explaining the political turmoil this country and world finds itself in with the election of Donald Trump as president of the United States A robust review and application of relevant cognitive dissonance theory principles in social psychology and a related aEURoe chief feature aEUR principle within cognitive dissonance theory and behavior theory within the broader discipline of psychology joined with universal spiritual truth principles all converge in providing enlightened explanations and in other ways answers sought in the phenomenon of both Donald Trump's candidacy his voters and supporters and now his presidency in the office he presently holds This treatise on Donald Trump's candidacy and subsequently now presidency including the very voters and supporters credited with his ascension to the office he presently holds fills an important void which to now in this writer's opinion has been lacking in the social media and others in the formal organizational communication and related communicative structures including newspapers television film magazine and other manner of mass communication devices and or tools coverage on this subject The void is found in no well inform academic treatment on this subject This writer is not aware of any similar effort at providing an informed academic review to this question of Mr Trump's presidency and the accompanying political turmoil Donald Trump's presidency has engendered Further it is safe to suggest that much of what is the current medium of information on this subject is lodged in journalistic speculation and guesswork and or anecdotal speculation This book's uniqueness and educational value in the view of this author are found in its application of the well accepted methodologies theories principles and other structures of social scientific anchored processes owing to social science aEUR driven scholarly insight and knowledge This book highlights the prominence of social science scholarly insight on this popular topic and the accompanying theoretical schools of thought within the broader discipline of social science It is Donald Yates contention that this vacuum of reference from social science scholarship has hindered a wider more substantive source of considerations in explaining the political peril the nation and world finds itself in today with the election of Donald Trump Scholarship Boy John Fletcher Clews Harrison, 1995 **Find a Way** Diana Nyad, 2015-10-20 NOW THE NETFLIX FILM NYAD STARRING ANNETTE BENING AND JODIE FOSTER Hillary Clinton said that Find a Way would stay with her through the general election When you're facing big challenges in your life you can think about Diana Nyad getting attacked by the lethal sting of box jellyfishes And nearly anything else seems doable in comparison When Diana Nyad arrived on the shore of Key West after

fifty three hours of grueling swimming across an epic ocean she not only set a world record becoming the first person to swim the shark infested waters between Cuba and Florida with no cage for protection she also succeeded in fulfilling a dream she first chased at age twenty eight and at long last achieved when she was sixty four Now in a riveting memoir Diana shares a spirited account of what it takes to face one's fears engage one's passions and never ever give up For no matter what life may throw at you or how many times you may have experienced defeat it is always possible as long as you commit to living life to the nth degree no regrets to find a way

Finding Meaning in Civically Engaged Scholarship Marissa L. Diener, Hank Liese, 2009-06-01 The essays in this volume are a collection of reflective narratives rather than traditional scholarly treatises The book is divided into two parts The first part describes our individual journeys as each of us found our way to civically engaged scholarship and came to see it as critical to our academic endeavors and identity This section also highlights the interdisciplinary nature of our work as we discuss our journeys through our own disciplinary lenses The second part presents detailed examples of our civic engagement including service learning classes community based research projects and creation of community service learning spaces These chapters provide a varied picture of the available avenues for civic engagement for students and faculty in a higher education setting We provide sufficient details of our projects and classes to enable replication The book concludes with a discussion of civic engagement as it is defined in the literature The conclusion also discusses institutional factors that support and promote civic engagement as well as the importance of community involvement in service learning Five common themes that emerged across the chapters are described These themes include the use of service learning and civic engagement as an effective pedagogy the relationship between civic engagement and political activism the importance of partnership and collaboration the meaning found in civic engagement and the challenges of civically engaged work

the Scholarship of Teaching and Learning, Measuring Systematic Changes to Teaching and Improvements in Learning Regan A. R. Gurung, Janie H. Wilson, 2014-01-02 The Scholarship of Teaching and Learning SoTL should be an integral part of every academic's life representing not only the pinnacle of effortful teaching but also standing side by side with more conventional disciplinary scholarship. Although practiced by many instructors for years, SoTL has garnered national attention, resulting in a spate of new journals to publish pedagogical research. SoTL helps students, fosters faculty development, and has been integrated into higher education. This volume provides readers with challenges that will motivate them to engage in SoTL and take their pedagogical research further. We include many key features aimed to help both the teacher new to research and SoTL and also researchers who may have a long list of scholarly publications in non-pedagogical areas and who have not conducted research. This is the 136th volume of this Jossey-Bass higher education series. It offers a comprehensive range of ideas and techniques for improving college teaching based on the experience of seasoned instructors and the latest findings of educational and psychological researchers.
