Reasserting the Disney Brand in the Streaming Era Robert Alan Brookey, Jason Phillips, Timothy Pollard, 2023-04-07
Reasserting the Disney Brand in the Streaming Era investigates the evolution of the Disney brand at a pivotal moment: the move from content creation to acquisition and streaming, and how the company reasserted its brand in a changing marketplace. Exploring how Disney's acquisition of Pixar, Marvel, Lucasfilm and Fox positioned the company to launch the Disney streaming service, the chapters look at the history of those acquisitions and the deployment of the content brands and intellectual property from those acquisitions through an analysis of the original content that appeared on Disney. Offering a focused investigation of how the content offered from these various media brands was adapted for Disney so that it reflects the Disney brand, the authors illustrate through close textual analysis how this content reflects elements of the Classic Disney Style. The analysis positions these texts in relation to their industrial contexts while also identifying important touchstone texts both television and film in Disney's catalog. This comprehensive and thoughtful analysis will interest upper level students and scholars of media studies, political economy, Disney studies, media industries and new technology. **PC Mag**, 2000-02-22 PCMag.com is a leading authority on technology, delivering Labs-based independent reviews of the latest products and services. Our expert industry analysis and practical solutions help you make better buying decisions and get more from technology. **Streaming Wars** Quinn Everett, AI, 2025-03-29 Streaming Wars explores the intense competition reshaping the entertainment industry driven by the rise of streaming platforms. This book examines the business management strategies employed by these giants and their impact on film and television. One key insight is how original programming has become the central battleground, significantly influencing production budgets and creative control. Another critical aspect is the sustainability of subscription models, analyzing pricing strategies and the pursuit of subscriber growth. The book provides a comprehensive overview, starting with the key players and technological foundations, before delving into major themes like content strategy, subscriber economics and global expansion. It presents its analysis through financial reports, market research and case studies, offering unique insight into subscriber growth and viewing patterns. This multifaceted approach combines business analysis with cultural criticism, making it valuable for media professionals, content creators and investors seeking to navigate this evolving landscape. The book progresses from historical context and key players to in-depth analyses of content, subscription models and global reach, culminating in a look at the future of entertainment. **Billboard**, 2010-01-09 In its 114th year, Billboard remains the world's premier weekly music publication.
