The New Leadership Literacies Bob Johansen,2017-09-05

Over the next decade today s connected world will be explosively more connected Anything that can be distributed will be distributed workforces organizations supply webs and more The tired practices of centralized organizations will become brittle in a future where authority is radically decentralized Rigid hierarchies will give way to liquid structures Most leaders and most organizations aren t ready for this future Are you It s too late to catch up but it s a great time to leapfrog Noted futurist Bob Johansen goes beyond skills and competencies to propose five new leadership literacies combinations of disciplines practices and worldviews that will be needed to thrive in a VUCA world of increasing volatility uncertainty complexity and ambiguity This book shows how to 1 forecast likely futures so you can look back and make sure you re prepared now for the changes to come 2 use low risk gaming spaces to work through your concerns about the future and hone your leadership skills 3 lead shape shifting organizations where you can t just tell people what to do 4 be a dynamic presence even when you re not there in person and 5 keep your personal energy high and transmit that energy throughout your organization This visionary book provides a vivid description of the ideal talent profile for future leaders It is written for current rising star and aspiring leaders talent scouts searching for leaders and executive coaches seeking a fresh view of how leaders will need to prepare To get ready for this future we will all need new leadership literacies *USA Today Index* ,1995
