Santa's Little Yelpers David Rosenfelt, 2022-10-11

Lawyer Andy Carpenter and his humorous investigating team return in Santa's Little Yelpers the next Yuletide mystery in David Rosenfelt's bestselling series. 'Tis the season in Paterson, New Jersey. Lawyer Andy Carpenter and his golden retriever Tara are surrounded by holiday cheer. It's even spread to the Tara Foundation. The dog rescue organization not used to having puppies has their hands full with a recent litter. Eight puppies are a lot to handle, and Andy is relieved when his co-worker Chris Myers agrees to foster them. Myers, a newer employee at the Tara Foundation, did time for a crime he swears he didn't commit. When Myers discovers a key witness against him lied on the stand, he goes to Andy to ask for representation in getting the conviction overturned. Myers thinks they can have this wrapped up by Christmas, no problem. But when the witness is murdered and Myers is arrested for the crime, things go from bad to worse. Suddenly, it's all elves on deck to make a list and check it twice so they can prove Myers is innocent.

[Manufacturing Militarism](#) Christopher J. Coyne, Abigail R. Hall, 2021-08-03 The U.S. government's prime enemy in the War on Terror is not a shadowy mastermind dispatching suicide bombers. It is the informed American citizen. With *Manufacturing Militarism*, Christopher J. Coyne and Abigail R. Hall detail how military propaganda has targeted Americans since 9/11. From the darkened cinema to the football field to the airport screening line, the U.S. government has purposefully inflated the actual threat of terrorism and the necessity of a proactive military response. This biased, incomplete, and misleading information contributes to a broader culture of fear and militarism that far from keeping Americans safe, ultimately threatens the foundations of a free society. Applying a political-economic approach to the incentives created by a democratic system with a massive national security state, Coyne and Hall delve into case studies from the War on Terror to show how propaganda operates in a democracy. As they vigilantly watch their carry-ons scanned at the airport despite nonexistent threats or absorb glowing representations of the military from films, Americans are subject to propaganda that Coyne and Hall argue erodes government by citizen consent.
