Mlb Playoffs Deal:

Routledge Handbook of Sport Communication Paul M. Pedersen, 2017-07-05 The Routledge Handbook of Sport Communication is the only book to offer a fully comprehensive and in depth survey of the contemporary discipline of sport communication. It explores communication within and for sport in all its theoretical, conceptual, cultural, behavioral, practical and managerial aspects, tracing the contours of this expansive transdisciplinary and international discipline and demonstrating that there are few aspects of contemporary sport that don't rely on effective communications. Including contributions from leading sport media and communications scholars and professionals from around the world, the book examines emerging new and social media, traditional print, broadcast and screen media, sociological themes in communication in sport and management issues at every level from the interpersonal to communication within and between sport organisations and global institutions. Taking stock of current research, new ideas and key issues, this book is an essential reference for any advanced student, researcher or practitioner with an interest in sport communication, sport business, sport management, sport marketing, communication theory, journalism or media studies. **Major League Baseball**

Organizations Frank P. Jozsa Jr., 2016-10-07 This book analyzes and highlights the development and success of major league baseball teams in the National League and the American League, focusing on each team's performance in seasons and postseasons and to what extent each succeeded as a business enterprise despite competition for market share from other types of entertainment. The book discusses historical and financial information about the 30 major league franchises. Each chapter contains two core themes: Team Performances and Franchise Business. The former highlights which and how teams won division and league championships and World Series, while the latter lists and compares financial data, including their revenue, gate receipts and operating income, and describes interesting business topics. Each chapter also provides an overview of when each franchise organized and why it joined MLB, a brief profile of its current majority owner or ownership group, records of teams' special coaches and players' attendances at home games, and how their ballparks rank as a venue for fans. Baseball Business explains why particular teams located in large, midsized or small markets win more games and titles than others and when and how frequently that occurs. Furthermore, it provides ways to compare franchises' financial success individually by division and by league. By linking and comparing the historical performances of MLB teams to financial information about them as business organizations, this book offers a unique contribution to the literature on the sports industry. **Understanding Baseball** Trey Strecker, Steven P. Gietschier, Mitchell Nathanson, 2015-01-09 The study of baseball history and culture shows the national pastime to be a forum of debate where issues of sport, labor, race, character and the ethics of work and play are decided. An understanding of baseball calls for consideration of different perspectives. This very readable textbook offers insights into baseball history as a subject worthy of scholarly attention. Each chapter introduces a specific disciplinary approach: history, economics, media, law and fiction, and poses representative questions.

scholars from these fields would consider Instructors considering this book for use in a course may request an examination copy here *Save Baseball* Larry Hausner,2024-01-29 Major League Baseball has been in crisis in recent years Game attendance is down by millions and fan interest is in free fall The future of the game is in jeopardy While the League acknowledges the issues many are stumped as to how to address them This book explores in detail the critical challenges facing MLB and their ramifications along with some potential solutions Interviews with baseball insiders players to executives give a perspective on baseball s struggle to reinvent itself for future generations Baseball Prospectus 2025 Baseball Prospectus,2025-02-03 The 2025 edition of The New York Times Bestselling Guide PLAY BALL The 30th edition of this industry leading baseball annual contains all of the important statistics player predictions and insider level commentary that readers have come to expect along with significant improvements to several statistics that were created by and are exclusive to Baseball Prospectus and an expanded focus on international players and teams Baseball Prospectus 2025 provides fantasy players and insiders alike with prescient PECOTA projections which The New York Times called the berforecast of every player s performance With more than 50 Baseball Prospectus alumni currently working for major league baseball teams nearly every organization has sought the advice of current or former BP analysts and readers of Baseball Prospectus 2025 will understand why Billboard ,2011-10-01 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends **Baseball, Inc.** Frank P. Jozsa, Jr.,2006-02-17 During the second half of the twentieth century Major League Baseball and its affiliated minor leagues evolved from local and regional entities governing the play of America s favorite pastime to national business organizations The relocation of teams league expansion the advent of free agency and an influx of international players has made baseball big business on an increasingly global scale Focusing on the last fifty years this work examines the past and present commercial elements of organized baseball emphasizing the dual roles competitive sport and profitable business which the sport must now fulfill Twenty five essays cover five areas integral to the economic side of baseball business and finance human resources international relations management and leadership and sports marketing Detailed discussions of the redistribution of revenues the history of player unionization aggressive global marketing strategies of franchise owners and an evaluation of fan costs among other topics introduce the reader to the important issues and specific challenges professional baseball faces in an increasingly crowded yet geographically expansive sports marketplace The work is also indexed *Baseball in Crisis* Frank P. Jozsa, Jr.,2014-01-10 Recent polls have placed football ahead of baseball in popularity Does this reflect football s rise or baseball s decline Why has the national pastime a title perhaps becoming inaccurate fallen behind other major sports Is the trend reversible This book identifies the most substantial and persistent issues that have impaired Major League Baseball s development Chapters cover inflationary player

team and game costs changes in baseball's fan base congestion in urban areas that host big league ballclubs the negligent and irrational actions some of it criminal of players owners league officials and the players union and the maldistribution of power among the major league franchises Six major reforms needed to boost the popularity of baseball are identified
