Recognizing Race and Ethnicity Kathleen J. Fitzgerald,2017-03-14 Despite promising changes over the last century race remains a central organizing principle in US society a key arena of inequality power and privilege and the subject of ongoing conflict and debate In this second edition of Recognizing Race and Ethnicity Kathleen J Fitzgerald continues to examine the sociology of race and encourages students to think differently by challenging the notion that we are or should even aspire to be color blind Fitzgerald considers how race manifests in both significant and obscure ways by looking across all racial ethnic groups within the socio historical context of institutions and arenas rather than discussing each group by group Incorporating recent research and contemporary theoretical perspectives she guides students to examine racial ideologies and identities as well as structural racism at the same time she covers topics like popular culture sports and interracial relationships This latest edition includes an expanded look at global perspectives on racial inequality including international migration and Islamophobia updated examples of contemporary issues including the Black Lives Matter movement more emphasis on intersectionality specifically the ways sexuality and race intersect and an extended discussion on why the sociology of race and the sociological imagination matter Recognizing Race and Ethnicity continues to reflect the latest sociological research on race ethnicity and provides unparalleled coverage of white privilege while remaining careful not to treat white as the norm against which all other groups are defined **Career Guide to Industries, 2006-07 ,**
