It provides copies of the most common and important tax forms for individual corporate partnership and fiduciary returns plus exercises that replicate actual return preparation work. Those exercises provide an opportunity for students and those training to become tax return preparers to practice filling out tax return forms after analyzing relatively complex return scenarios. It reproduces Forms 1040 1120 1065 1041 1120S and schedules plus other related forms and schedules. Problems describe particular tax situations and require students to apply the skills learned in class by filling out the appropriate income tax forms and schedules. Those students and those in training can see how the CCH experts approach the scenarios by referencing the Individuals Filled In Tax Return Forms and Corporation Partnership Fiduciary Filled In Tax Return Forms which illustrate on actual forms the tax situations set forth in the Facsimile book. The Facsimile book can be purchased by itself as a tax training and education workbook or it can be as is often the case purchased along with the Individuals Filled In Tax Return Forms and Corporation Partnership Fiduciary Filled In Tax Return Forms booklets. These three booklets are also made available upon request as part of certain textbook adoption packages offered by CCH.
