World Series In The Us Returns:

Middle-earth and the Return of the Common Good Joshua Hren, 2018-10-05 Political philosophy is nothing other than looking at things political under the aspect of eternity This book invites us to look philosophically at political things in J R R Tolkien's legendarium demonstrating that Tolkien's potent mythology can be brought into rich fruitful dialogue with works of political philosophy and political theology as different as Plato's Timaeus Aquinas De Regno Hobbes's Leviathan and Erik Peterson's Monotheism as a Political Problem It concludes that a political reading of Tolkien's work is most luminous when conducted by the harmonious lights of fides et ratio as found in the thought of Thomas Aquinas A broad study of Tolkien and the political is especially pertinent in that the legendarium operates on two levels As a popular mythology it is in the author's own words a really long story that would hold the attention of readers amuse them delight them and at times maybe excite them or deeply move them But the stories of The Silmarillion and The Lord of the Rings contain deeper teachings that can only be drawn out when read philosophically Written from the vantage of a mind that is deeply Christian Tolkien's stories grant us a revelatory gaze into the major political problems of modernity from individualism to totalitarianism sovereignty to surveillance terror to technocracy As an outsider in modernity Tolkien invites us to question the modern in a manner that moves beyond reaction into a vivid and compelling vision of the common good

Return of Confiscated Property United States. Congress. Senate. Committee on the Judiciary. Subcommittee to Examine and Review the Administration of the Trading with the Enemy Act, 1957 Considers legislation on return of confiscated property payment of American war damage claims and use of interest from the investment of funds obtained under the provisions of the Trading With the Enemy Act for scientific scholarships and fellowships for children of veterans

When Baseball Returned to Brooklyn Ed Shakespeare, 2003-05-13 Major league baseball has a long rich history in Brooklyn From the time Brooklyn started play in 1884 until their move west to Los Angeles following the 1957 season the Dodgers and their predecessors were the emotional center of the borough's diverse population But Brooklyn would be without a professional team until June of 2001 when the Cyclones took the field in Coney Island as the Mets affiliate for the New York Penn League This work follows the rookie level club from its formation through its first season Brooklyn Dodgers Carl Erskine Duke Snider Clem Labine Johnny Podres Ralph Branca Joe Pignatano and Clyde King comment on their own minor league days and their days in Brooklyn Also included are interviews of Cyclones players and fans of both teams

Brass Button Broadcasters Trent Christman, 1992

The Cultural Encyclopedia of Baseball, 2d ed. Jonathan Fraser Light, 2016-03-25 More than any other sport baseball has developed its own niche in America's culture and psyche Some researchers spend years on detailed statistical analyses of minute parts of the game while others wax poetic about its players and plays Many trace the beginnings of the civil rights movement in part to the Major League's decision to integrate and the words and phrases of the game for example pinch hitter and out in left field have become common in our everyday language From AARON HENRY onward this book covers all of

what might be called the cultural aspects of baseball as opposed to the number rich statistical information so widely available elsewhere Biographical sketches of all Hall of Fame players owners executives and umpires as well as many of the sportswriters and broadcasters who have won the Spink and Frick awards join entries for teams owners commissioners and league presidents Advertising agents drafts illegal substances minor leagues oldest players perfect games retired uniform numbers superstitions tripleheaders and youngest players are among the thousands of entries herein Most entries open with a topical quote and conclude with a brief bibliography of sources for further research The whole work is exhaustively indexed and includes 119 photographs

Sports in America from Colonial Times to the Twenty-First Century: An Encyclopedia Steven A. Riess, 2015-03-26 A unique new reference work this encyclopedia presents a social cultural and economic history of American sports from hunting bowling and skating in the sixteenth century to televised professional sports and the X Games today Nearly 400 articles examine historical and cultural aspects of leagues teams institutions major competitions the media and other related industries as well as legal and social issues economic factors ethnic and racial participation and the growth of institutions and venues Also included are biographical entries on notable individuals not just outstanding athletes but owners and promoters journalists and broadcasters and innovators of other kinds along with in depth entries on the history of major and minor sports from air racing and archery to wrestling and yachting A detailed chronology master bibliography and directory of institutions organizations and governing bodies plus more than 100 vintage and contemporary photographs round out the coverage
