Violence in Popular Culture Laura L. Finley, 2018-11-09 A comprehensive resource this book reviews current and historical examples of violence in film television radio music music videos video games and novels Despite decades of attention and various attempts to enact legislation that limits violence in American popular culture it remains ubiquitous across films television radio music music videos video games and popular fiction Studies have shown that programs marketed to children are often remarkably violent and that viewing or otherwise consuming such violence has numerous negative effects on children s psychological health This book sheds light on the scholarship related to violence in popular culture and compares historical and current examples analyzing popular shows such as Game of Thrones video games such as Mortal Kombat young adult fiction including the trilogy The Hunger Games and more Not only does Violence in American Popular Culture provide a comprehensive review of the research about the effects of violence in media but it also offers detailed assessments of violent content in various expressions of popular culture In addition it invites readers to compare violence in American popular culture with that globally via entries on violence in popular culture outside the United States An appendix of additional resources and primary sources gives readers further tools for deepening their understanding of this complex and controversial issue

Public Policy for Progressives Jonathan Lipow, 2023-11-25 The purpose of this book is to offer those who identify with America s democratic political left broadly defined to include Democrats Democratic Socialists Greens Libertarians and even liberal Republicans a guide to understanding how rigorous analysis can be applied in order to identify public policies that are both consistent with their values and likely to actually work The book argues the importance of reference to basic scientific principles in particular social science and economic principles and factual evidence for people who identify with the political left rather than them assuming automatic positions on issues Foundational scientific principles such as general equilibrium Keynesian economics asymmetric information the use of proxy variables and causal inference are discussed and explained The book consists of 12 chapters Following two foundational chapters the book addresses areas including monetary policy income redistribution healthcare social security education immigration climate change the proper roles of the public and private sectors of the economy and race relations Written in accessible engaging and non technical language Public Policy for Progressives will be of interest to scholars and students of economics philosophy political science and public policy as well as policy makers themselves

Mastering the Power of You Lalit Johri, Katherine Corich, Gay Haskins, 2022-11-21 The world of the 2020s is complex and demanding We are faced with a myriad of difficult decisions about our present and future driven by the impact of the COVID 19 pandemic the economic downturn rising unemployment and inequalities digital disruption uncertain political environments and climate change In this book leaders from around the world share their experiences in adapting to the changing world and the lessons they have learnt They offer advice on mastering a diverse range of leadership concepts skills and behaviours to prepare for the challenges of the 21st century The

easy to follow format is grouped around the core concepts of Leadership entrepreneurship and volunteering Purpose and values Authenticity trust and presence Strategising thinking and decision making Mentoring and development Mental resilience Diversity and inclusion Negotiating and collaborating and Social and environmental impact Each of the 32 chapters takes you on a voyage of discovery to a wide range of powers and inspires you to use them to open new opportunities in your life and workplace If you are a recent graduate aspiring to gain meaningful employment in a rapidly transforming workplace or a mid career professional whose job may soon change or disappear with increasing automation this book is for you If you are a consultant coach mentor or trainer looking for new approaches this book will provide valuable guidelines If you are a seasoned professional navigating the new norms this book will give you many inspiring insights **IBPS PO Main Exam : CRP PO/MT-XII | 1500+ Solved Questions (7 Mock Tests + 3 Previous Year Papers)** EduGorilla Prep Experts,2022-09-08 Best Selling Book in English Edition for IBPS PO Mains Exam CRP XII with objective type questions as per the latest syllabus given by the Institute of Banking Personnel Selection Compare your performance with other students using Smart Answer Sheets in EduGorilla s IBPS PO Mains Exam CRP XII Practice Kit IBPS PO Mains Exam CRP XII Preparation Kit comes with 10 Tests 7 Mock Tests 3 Previous Year Papers with the best quality content Increase your chances of selection by 16X IBPS PO Mains Exam CRP XII Prep Kit comes with well structured and 100% detailed solutions for all the questions Clear exam with good grades using thoroughly Researched Content by experts **The Crisis of Democratic Capitalism** Martin Wolf,2023-02-02 From the author of The Shifts and the Shocks and one of the most influential writers on economics a reckoning with how and why the relationship between democracy and capitalism is coming undone We are living in an age when economic failings have shaken faith in global capitalism Political failings have undermined trust in liberal democracy and in the very notion of truth The ties that ought to bind open markets to free and fair elections are being strained and rejected even in democracy s notional heartlands Around the world democratic capitalism which depends on the determined separation of power from wealth is in crisis Some now argue that capitalism is better without democracy others that democracy is better without capitalism This book is a forceful rejoinder to both views It analyses how the marriage between capitalism and democracy has become so fraught and yet insists that a divorce would be an almost unimaginable calamity Martin Wolf one of the wisest public voices on global affairs argues that for all its recent failings slowing growth increasing inequality widespread popular disillusion democratic capitalism though inherently fragile remains the best system we know for human flourishing Capitalism and democracy are complementary opposites they need each other if either is to thrive Wolf s superb exploration of their marriage shows us how citizenship and a shared faith in the common good are not romantic slogans but the essential foundation of our economic and political freedom **Newsweek** Raymond Moley,Samuel Thurston Williamson,Malcolm Muir,Rex Smith,Joseph Becker Phillips,2007
